Collective Bargaining Process

Regulation 15 A
Collective Bargaining Process

Regulation 15 A
REGULATION 15
The PSAC Collective Bargaining Process

INTRODUCTION

Membership involvement and mobilization form the bedrock of the collective bargaining process. Through collective bargaining we protect and improve our working lives and help to build the labour movement. Collective bargaining is also an important vehicle for advancing our goals with respect to human rights and social justice. Collective bargaining also benefits society at large by helping to create more inclusive and progressive workplaces. By engaging and empowering all members of the Public Service Alliance of Canada through the collective bargaining process, we will achieve our shared aspirations and goals and create a stronger union.

The Public Service Alliance of Canada is a broad and diverse union and we are committed to ensuring that all bargaining units, regardless of size, industry or sector, have an equal opportunity to achieve their goals and advance our union’s vision of social justice and equality. Underlying the success of any negotiation is membership mobilization and engagement across the union. Therefore, ensuring strong communication, mobilization and engagement throughout the bargaining process are essential components of how we conduct collective bargaining.

To that end, this document is a democratic framework that works towards ensuring that all involved in the process - from members and shop stewards in the worksite to union staff to our National President - understand their roles and responsibilities in bargaining a collective agreement.

STRUCTURE

This Regulation is divided into three parts. This allows our Union to address the diversity of the bargaining units within the Public Service Alliance of Canada and encourage and support our members’ engagement in the collective bargaining process. The three parts of this Regulation are 15A: Treasury Board and Agency Bargaining; 15B National Bargaining Units and Territorial Government Bargaining Units; and 15C Directly Chartered Local and Regional Bargaining Units.

PART 4 – DEVIATION FROM THE REGULATION .......................................................... 15
15A - TREASURY BOARD, CANADA REVENUE AGENCY, PARKS AGENCY AND CANADIAN FOOD INSPECTION AGENCY
COLLECTIVE BARGAINING

1. APPLICATION

This Regulation applies to our Treasury Board bargaining units: Program and Administrative Services (PA), Operational Services (SV), Technical Services (TC), Education and Library Science (EB), and Frontière/Border Services (FB). It also applies to our large Agency bargaining units: Canada Revenue Agency (CRA), Parks Canada and the Canadian Food Inspection Agency (CFIA).

2. ROLES AND RESPONSIBILITIES

2.1 Members

2.1.1 Members are the backbone of the collective bargaining process. The active support and mobilization of our members is critical to successful collective bargaining. Our union is only as strong as our membership.

2.1.2 Collective bargaining is the way to improve working conditions and advance the issues that are important to our union members. The more there is participation in the process, which includes submitting bargaining demands, being aware of the issues at the bargaining table, supporting our bargaining teams, and participating in mobilization activities, the greater the success of collective bargaining.

2.2 Locals/Branches

2.2.1 Locals/Branches are the first point of contact with the union for most bargaining unit members. Local Union Officers are, therefore, key to our ability to mobilize our membership and achieve success at the bargaining table.

2.2.2 Locals/Branches receive the bargaining input call and distribute it to bargaining unit members in the Local/Branch. The Local/Branch then receives bargaining input from the members.

2.2.3 Locals/Branches are responsible for establishing Standing Bargaining Committees that review and organize the input from members, and assist in the development of rationales. These Committees also ensure that information is included with the bargaining input when it is returned to the Component.
2.2.4 Standing Bargaining Committees work to make bargaining an engaging and ongoing participatory process for the membership. This can include developing bargaining surveys, grievance analysis and having members assist other PSAC bargaining units currently engaged in negotiation.

2.2.5 The Standing Bargaining Committee of the Local/Branch and the Local/Branch Officers provide important support to the bargaining process by ensuring that bargaining unit members in the Local/Branch are well informed about the issues, and that mobilization events are well-supported in the Local/Branch.

2.2.6 Locals/Branches strengthen the bargaining process by putting forward, to their Components, the names of knowledgeable and committed members who are able to represent the Local/Branch at bargaining conferences (where applicable), on bargaining teams (where applicable) and on strike coordinating committees (where applicable).

2.2.7 Locals/Branches work with the PSAC and are responsible for the conduct of votes, such as ratification, strike or dispute settlement route votes, among their membership.

2.3 Components

2.3.1 Components receive the input call for bargaining demands from the PSAC. The Components then forward the input call to each Local/Branch that represents members in the bargaining unit.

2.3.2 Components then receive the bargaining demands from the members, forwarded through their Locals/Branches. The Component reviews, amends and/or supplements, and selects the demands to be sent to PSAC in the manner set out in this Regulation.

2.3.3 Components support the bargaining process by electing/selecting bargaining unit members who are engaged in union activities and committed to union principles to represent the bargaining unit members at regional and/or national bargaining conferences in the manner set out in this Regulation. Delegates to regional and national bargaining conferences are responsible for supporting member mobilization throughout the bargaining process.

2.3.4 Components are responsible for keeping their members informed about the issues, and ensuring that mobilization events are well-supported throughout the Component.

2.3.5 Components work with the PSAC to conduct votes, such as ratification, strike or dispute settlement route votes, among their members.
2.4 National Board of Directors (NBoD)

2.4.1 As the Union’s governing body between Conventions, the NBoD establishes policies related to collective bargaining.

2.4.2 The NBoD determines whether coalition/multi-unit bargaining is appropriate, in circumstances where there is a community of interest.

2.4.3 The NBoD is responsible for reviewing and recommending the program of demands created for the Treasury Board and Agency bargaining units, and determining whether the number of demands that each Component may submit will be limited.

2.4.4 The NBoD is responsible for determining whether a dispute settlement route vote should be held in accordance with this Regulation.

2.4.5 The NBoD is responsible for fully supporting the recommendations of a negotiating team and may not make any public statement that is critical of the bargaining team’s decision or that calls that decision into question.

2.4.6 Members of the NBoD who have bargaining unit members in their Components are responsible for fully participating in mobilizing efforts.

2.4.7 Members of the NBoD who have bargaining unit members in their Components may be elected/selected to sit as part of the National Strategy Coordinating Committee and/or National Strike Coordinating Committee.

2.5 Collective Bargaining Committee (CBC) of the NBoD

2.5.1 The CBC of the NBoD is composed of members of the NBoD appointed to it by the PSAC National President and is chaired by the AEC Officer(s) responsible for collective bargaining.

2.5.2 The CBC reviews and recommends for adoption by the NBoD the initial program of demands that accompanies the input call that initiates the bargaining process.

2.5.3 The CBC may be asked to consider any matter related to collective bargaining referred to it by the NBoD or the AEC and to make recommendations as required.
2.6 National Strategy/Strike Coordinating Committee (NSCC)

2.6.1 The NSCC provides key strategic support and advice throughout the bargaining process and makes recommendations to the National President, the AEC and the NBoD on such matters as the bargaining timelines, bargaining strategy and priorities, and the communications and mobilization strategy.

2.6.2 The National Strategy Coordinating Committee (NSCC) becomes the National Strike Coordinating Committee (NSCC) at the point at which strike mobilization is required. The NSCC makes key recommendations to the National President, the AEC and the NBoD where necessary on strike strategy and mobilization.

2.7 Bargaining Team

2.7.1 Bargaining Teams represent all members of the bargaining unit at the bargaining table and play an essential role in the bargaining process.

2.7.2 Bargaining Team members are expected to engage directly with other workers throughout the entire bargaining process.

2.7.3 Bargaining team members are responsible for ensuring that the bargaining process helps build the union and advances the interests of all members.

2.7.4 Bargaining team members are obligated to respect the Constitution and Regulations of the PSAC and to adhere to PSAC policies.

2.7.5 Bargaining team members must be dedicated union activists, who are engaged in union activities and committed to union principles, including social justice and human rights.

2.7.6 Bargaining team members provide important insight and information on the actual working conditions of bargaining unit members in the workplace and on the rationales behind the bargaining demands.

2.7.7 Bargaining team members are responsible for conveying information about the progress of bargaining to bargaining unit members, and for explaining decisions made by them at the bargaining table.

2.7.8 Bargaining team members are responsible for reporting back to the bargaining team relevant issues raised by the membership, received as part of their communication and outreach work, on an ongoing basis.
2.7.9 Bargaining team members participate in the process of negotiations by: reviewing the bargaining input, finalizing and prioritizing the package of demands, participating in bargaining, participating in strategy and mobilization discussions as required, making decisions on employer offers and tentative settlements, and by participating in all mobilization activities established for the bargaining unit.

2.7.10 Bargaining team members must make a decision to accept or reject a proposed memorandum of settlement before it is sent to the members of the bargaining unit for a vote. Once that decision is made, all members of the bargaining team must support it.

2.8 Regional Councils

2.8.1 As the body of elected officers in each region, Regional Councils play a vital role in regional mobilization during the bargaining process and in the strike mobilization process, particularly in multi-unit or coalition bargaining.

2.8.2 Regional Councils are an important venue for information sharing and for encouraging solidarity and support for other PSAC bargaining units in need of assistance.

2.9 Alliance Executive Committee (AEC)

2.9.1 The AEC will ensure an effective bargaining environment by appointing the staff necessary to facilitate bargaining and membership mobilization.

2.9.2 The AEC shall, where appropriate, establish Regional and/or National Bargaining Conferences.

2.9.3 The AEC will determine the size of bargaining teams within the parameters established in 3.8 of this Regulation.

2.9.4 The AEC will ensure that bargaining teams are representative by using its authority to appoint bargaining team members.

2.9.5 The AEC has the sole authority to remove a member from a bargaining team.

2.9.6 The AEC has sole authority for approving Memoranda of Settlement and letters of understanding.

2.9.7 The AEC is responsible for approving administrative guidelines governing activities associated with Regulation 15.
2.10 AEC Officers

2.10.1 AEC Officers have the responsibility for the establishment of a National Strategy/Strike Coordinating Committee (NSCC) and chairing NSCC meetings.

2.10.2 Regional AEC Officers will approve the Agenda for their respective Regional Bargaining Conferences, and chair such Conferences.

2.10.3 AEC Officer(s) will chair National Bargaining Conferences.

2.10.4 AEC Officers are mandated to sign collective agreements.

2.11 National President

2.11.1 The National President has the sole authority to interpret the PSAC Constitution and this Regulation.

2.11.2 The National President, in consultation with the Collective Bargaining Committee of the NBoD, will determine which items will be the subject of negotiations through the collective bargaining process and which items will be subject to co-development/consultation at the National Joint Council.

2.11.3 The National President has the sole authority to authorize a strike vote and authorize or end strike action.

2.11.4 In consultation with the affected bargaining team(s), the National President or designate may engage in direct negotiations with the employer to achieve a Memorandum of Settlement.

3. COLLECTIVE BARGAINING PROCESS

3.1 Establishment of a National Strategy/Strike Coordinating Committee (NSCC)

3.1.1 The AEC Officer(s) responsible for collective bargaining in the case of our Treasury Board bargaining units, or the AEC Officer assigned to a particular bargaining unit in the case of our Agency bargaining units, will establish an NSCC to provide strategic advice on bargaining, mobilization and strike mobilization.
3.1.2 The NSCC will be composed of the AEC Officer(s) responsible, members of the NBoD selected from those Components with members in the bargaining unit, and bargaining team members selected by the team to sit on the NSCC. The NSCC will also assign appropriate staff to provide technical advice as required.

3.1.3 The number of Component Presidents sitting on the NSCC will be determined by the National President and/or the AEC, and the number of team members elected/selected to sit on the committee will be determined by the National President and/or the AEC, in consultation with the Component Presidents who have members in the bargaining unit.

3.1.4 The NSCC is chaired by the AEC Officer(s) responsible for collective bargaining in the case of our Treasury Board bargaining units, or the AEC Officer assigned to a particular bargaining unit in the case of our Agency bargaining units, and is composed of members of the NBoD selected from those Components with members in the bargaining unit, and bargaining team members selected by the team to sit on the NSCC.

3.1.5 The NSCC will meet as early as possible in the bargaining process, ideally before Notice to Bargain has been served.

3.1.6 The NSCC will determine its own process and agenda, but generally will be mandated to discuss and recommend strategies with respect to bargaining timelines, communications to the membership and others, mobilization and strike mobilization and strategy, as well as any other matter that may have an impact on bargaining in any particular round of negotiations.

3.2 Bargaining Timelines

3.2.1 Between six (6) months and one year before notice to bargain is to be served, the PSAC will develop the initial timeline for bargaining in consultation with the AEC, the NBoD and/or the Component Presidents with members in the bargaining unit, the Collective Bargaining Committee of the NBoD and the NSCC.

3.2.2 The bargaining timeline may be revised as required from time to time throughout the process of bargaining.

3.3 Program of Demands

3.3.1 At least six (6) months prior to serving Notice to Bargain, the PSAC Negotiations Section will prepare a program of suggested demands that accompanies the input call. These demands will be derived in part from demands that remained on the table from the last round, new
developments in collective bargaining, ongoing research and the priorities and goals of the union.

3.3.2 The form of the program of demands may vary from round to round, but in all cases, it will contain the principle advanced by the demand and its rationale.

3.3.3 The proposed program of demands will be reviewed by the Collective Bargaining Committee of the NBoD, who will review it and, if satisfied, recommend its adoption by the NBoD.

3.3.4 At the same time that the proposed program of demands is reviewed and adopted, a determination will be made as to whether or not the number of demands that each Component may submit will be limited and, if so, what that limit will be.

3.4 Input Call

3.4.1 At least six (6) months before Notice to Bargain is served, or at such time established on the bargaining timeline, PSAC will send out the call for bargaining input from the members in the bargaining unit.

3.4.2 The input call, with the attached program of demands, will be sent to each Component with members in the bargaining unit, and will set out the date that the input must be sent to the PSAC Negotiations Section.

3.4.3 The Component will forward the input call and program of demands to each Local/Branch with members in the bargaining unit.

3.4.4 Each Local/Branch with members in the bargaining unit will distribute the input call, program of demands and any attached documents to members of the bargaining unit.

3.4.5 The Locals/Branches will receive the bargaining input from members of the bargaining unit and will review each demand to ensure that there is a complete rationale for the demand. The Locals/Branches will also ensure that where there are multiple proposals on the same subject, that one proposal will cover all aspects of the group of proposals.

3.4.6 The Local/Branch will forward only one proposal on each issue to the Component and will only forward the number of proposals set out in the input call if the input call limits the number of proposals.

3.4.7 The Component reviews, amends and/or supplements the proposals received from the Locals/Branches, and will forward to the PSAC Negotiations Section only the number of proposals set out in the input call,
and will send only one proposal for each issue as established by the input call.

3.4.8 The Component shall ensure that each proposal is sent electronically to the PSAC Negotiations Section within the timeframe set out in the input call. Each proposal shall contain a rationale, identify the submitting Local/Branch and be provided in both official languages.

3.5 Bargaining Conferences

3.5.1 In consultation with the Components that represent members in the bargaining units affected, where the AEC decides that Regional and/or National Bargaining Conferences will be held, the following rules and procedures shall apply.

3.5.2 Bargaining Conferences are the opportunity for bargaining unit members, Elected Officers and activists to meet, plan the upcoming round of bargaining, review bargaining demands, identify priorities, develop initial mobilization strategies, and to build awareness of the political context in which the round of bargaining will take place.

3.5.3 Bargaining Conferences also present an important learning opportunity for new activists and an equally-important opportunity for all members in attendance to build solidarity.

3.5.4 Delegates chosen to attend either Regional or National Bargaining Conferences must be members of the bargaining unit or, hold office in the union, which can include being a shop steward. Delegates must also be dedicated union activists, engaged in union activities and committed to union principles, including social justice and human rights.

3.5.5 Members of the NBoD who have bargaining unit members participating in the round of bargaining may attend Bargaining Conferences and may fully participate in all discussions, but may not seek election or vote in the election of bargaining team members.

3.6 Regional Bargaining Conferences

3.6.1 Regional Bargaining Conferences may be held where they are deemed to be appropriate.

3.6.2 The decision to hold Regional Bargaining Conferences will be made by the AEC, in consultation with Components that have members in the bargaining unit and the Collective Bargaining Committee of the NBoD.
3.6.3 The location of Regional Bargaining Conferences will be determined by the AEC and may vary from round to round as circumstances and as necessity dictate. Where there are bargaining unit members in each region, a regional conference will be held for each region. However, several regional conferences may be held in one location at the same time in order to more effectively allocate resources.

3.6.4 Regional Bargaining Conferences will be chaired by the PSAC Regional Executive Vice-President of the region. Where regional bargaining conferences are co-located, sessions involving more than one region may be chaired by the REVP(s) assigned responsibility for collective bargaining.

3.6.5 The agenda for Regional Bargaining Conferences will be reviewed and approved by the appropriate REVPs and may vary from round to round. However, in all cases, there should be an opportunity provided for delegates to consider mobilization strategies and to have an initial review of bargaining proposals, in addition to selecting delegates to attend the National Bargaining Conference.

3.6.6 Delegates will be chosen to attend Regional Bargaining Conferences according to the following criteria:

A. Component Representation

Each Component with members in a bargaining unit shall be entitled to:

3.7.2 National Bargaining Conferences will be chaired by an AEC Officer.

3.7.3 The agenda for National Bargaining Conferences and the duration of the conference will be reviewed and approved by the AEC and will include an opportunity for the delegates to: review the bargaining proposals, establish bargaining priorities, develop mobilization strategies and elect bargaining teams.

3.7.4 In addition to the delegates elected to attend the National Bargaining Conference from the Regional Bargaining Conferences, delegates will be chosen to attend National Bargaining Conferences using the following criteria:

A. Component Representation

Each Component with members in the bargaining unit that has not had a member selected through the Regional Bargaining Conferences may send one member per bargaining unit who is a member of the bargaining unit and who attended the Regional Bargaining Conference.

3.8.7 The size of a bargaining team will normally be between seven and nine members, with the goal of ensuring women representation, geographic, occupational and equity group diversity.

3.8.8 The AEC may determine that a bargaining team should be smaller than seven members where the bargaining unit has fewer than 1,500 members. However, no bargaining team should have fewer than five members.

3.9 **Election/Selection and Composition of Bargaining Teams**

3.9.1 A majority of each bargaining team will be elected at the National Bargaining Conference and the remaining members will be appointed from the pool of National or Regional Bargaining Conference delegates by the AEC in consultation with the Component. The number to be appointed will be decided and announced by the AEC prior to the National Bargaining Conference.

3.9.2 Appointment of bargaining team members by the AEC from the pool of National or Regional Bargaining Conference delegates will be based on the need to ensure equity, geographic, linguistic and/or occupational group diversity and to ensure the adequate representation of women.

3.11.7 All employees in the bargaining unit are entitled to vote in strike votes.
Ratification Votes

3.11.8 Ratification votes shall be held at meetings conducted for the purpose of explaining the terms of the tentative agreement, except where the isolated nature of the worksite or shift schedules require that special arrangements be made.

3.11.9 Only employees in the bargaining unit who are PSAC members in good standing shall be entitled to vote in a ratification vote; proof of membership may be required.

3.11.10 When a ratification vote on whether or not employees wish to accept a tentative collective agreement is also intended to constitute a strike vote, all employees in the bargaining unit are entitled to vote in the strike vote as required by legislation and by section 3.11.7 of this Regulation. The following procedure shall apply:

a) employees in the bargaining unit who are PSAC members in good standing shall be provided with a ballot that asks whether they accept the tentative agreement or whether they reject it and authorize strike action; and,

4.2 In the case of bargaining units with more than two Components, deviation from the Regulation requires the approval of the AEC and the majority of Component Presidents with members in the bargaining unit.

4.3 In the case of bargaining units with one or two Components, deviation from the Regulation requires the approval of the AEC and the Component President(s).
