The Corporation undertakes that as a result of positions being rendered surplus to requirements, there shall be no temporary or permanent lay-off of any employee (excluding term employees) having attained more than five (5) years of continuous employment with the Corporation at the time the positions in question became surplus, provided the employee agrees to be appointed or assigned to another position in accordance with this Article.

The provisions of this Article shall apply to employees (excluding term employees) who were employed in the bargaining unit as of March 24th, 2009, provided such employees agree to be assigned or appointed to another position in accordance with this Article.

No employee shall be required to accept an assignment or an appointment to a position located more than a forty (40) kilometre radius from her present location.

28.02 Posting of Information

- (a) The Corporation shall post on the first Monday of each month, in the location in which a surplus of employees has been declared and in each location within a forty (40) kilometre radius of that location a list of all positions that are declared surplus in that location as of the previous Monday.

28.06 Early Retirement/Separation Incentive

When a surplus of employees has been identified or is anticipated, the Corporation will post from time to time a notice inviting applications from interested employees who would like to be considered for any potential early retirement opportunities or potential separation incentives. Such applications will be considered valid for six (6) months.

28.07 Offer for Early Retirement/Separation Incentive

The Corporation may offer early retirement and/or separation incentives, in amounts to be determined at the discretion of the Corporation, to employees who have made application pursuant to clause 28.06 above. Such opportunities will be offered by order of seniority in accordance with clause 28.08. Where the Corporation meets with an employee to advise them of such opportunities, the employee may request and be represented by a union representative.

28.08 Order of Offer

Employees who have applied to be considered for potential early retirement opportunities or separation incentives, will be offered such opportunity, firstly in seniority order to surplus employees and then, in seniority

order, to other applicants who would create vacant positions to be filled by surplus employees. These employees will be advised in writing of the payments determined in accordance with paragraph 28.07 above.

28.09 Time Limit for Response

The employee concerned will have ten (10) working days thereafter to decide whether to accept the early retirement or resignation opportunity, as the case may be.

If the employee concerned does not make the election within the time period specified or does not accept the opportunity, the Corporation may offer the opportunity to the next senior employee having made application under clause 28.06 above.

28.10 Procedure

The names of surplus employees shall be placed on the surplus list under article 27 and employees will be appointed or offered assignment to alternate employment opportunities in accordance with the following procedure:

- (a) (i) The surplus employee shall be offered alternate employment opportunities at the same classification level within a forty (40) kilometre radius of her work location. If she is not qualified, she may be trained provided she has the capability and may within a reasonable period of training become qualified. If the employee refuses such appointment, she shall be laid off without recall rights or Supplementary Unemployment Insurance Benefits, unless there is a (are) more junior surplus employee(s) at the same classification level within the forty (40) kilometre radius, in which case the employment opportunity shall be offered in order of seniority to the next surplus employee(s) at the same classification level within forty (40) kilometres until the vacancy is filled.
- (ii) In the event that the most junior surplus employee refuses the appointment, she shall be laid off without recall rights or Supplementary Unemployment Insurance Benefits and the appointment opportunity shall be re-offered in reverse order of seniority to the surplus employees identified in (i) above. If the surplus employee refuses such appointment she shall be laid off without recall rights or Supplementary Unemployment Insurance Benefits.
- (iii) If the employee accepts such alternate employment, she shall be appointed to that position and her name shall be removed from the surplus list. If within the twelve (12) month period following the appointment, the appointment is terminated for any reason other than termination for just, reasonable and sufficient cause, then her name will be placed back on the surplus list.

- (b) Should there be no position in (a) above, the surplus employee shall be offered alternate employment opportunities at the same classification level within her prescribed area of employment to available vacancies in accordance with clause 27.03.
- (c) Where an employee accepts a relocation opportunity, the expenses involved shall be the responsibility of the Corporation in accordance with the then current policy of the Corporation.
- (d) Should an employee refuse to accept relocation in her prescribed area of employment but outside of a forty (40) kilometre radius of her work location, she may opt to be laid off with recall rights and SUB Plan benefits in accordance with article 29 or she may be assigned to a position in the bargaining unit with the same or lower annual maximum rate of pay for which she is qualified or for which the employee has the capability and may within a reasonable period of training become qualified within a forty (40) kilometre radius of the location in which she is presently employed.
- (e) Where an employee has been assigned pursuant to (d) above and the maximum wage rate of her former position is greater than the maximum wage rate of the position to which she has been assigned, she shall be paid in accordance with the procedures for red-circled employees contained in clause 31.07 of the collective agreement.
- (f) Should there be no vacant positions in the bargaining unit, within a forty (40) kilometre radius of the location in which the employee is presently employed, she may be offered any other work assignment(s) within the Corporation within a forty (40) kilometre radius of the location in which she is presently employed. If an employee refuses such work assignment(s), she shall be laid off with recall rights and SUB Plan benefits in accordance with article 29. Where an employee has accepted a work assignment(s) outside the bargaining unit, she shall be paid at the rate of pay for the work which she is performing. Where, during a calendar month, her regular straight-time earnings from the work assignment(s) are less than the regular earnings to which she would be entitled from her substantive position, the Corporation will pay a supplement equal to the difference. This supplement shall be deemed to be earnings for the purpose of the Canada Post Pension Plan.

- (g) For the term of this collective agreement, an employee who is assigned (as opposed to appointed) to any other work assignments pursuant to clause 28.10(f) will continue to be treated as a surplus employee for the duration of the assignment and will be returned to a holding position with surplus status in the bargaining unit should the assignment be terminated for any reason, including the inability or incapacity of the employee to perform the assignment. This status will terminate should she accept appointment to any position.
- (h) A surplus employee who relocates to fill a vacant position pursuant to (b) above and who is subsequently appointed to a position within a forty (40) kilometre radius of her former work location, in accordance with clauses 27.03(b) and (f), will be entitled to be reimbursed for her relocation expenses in accordance with the then current policy of the Corporation, if the relocation is in excess of forty (40) kilometres from her present workplace. If that surplus employee refuses the appointment, she will be deemed to be appointed to the position to which she has relocated.
- (i) No full-time employee will be required to accept a part-time position. This provision does not preclude the Corporation from assigning a full-time employee to a part-time position in accordance with the provisions of 28.10 (d), (e), (f). The employee shall also be entitled to the provisions of 28.10(h).
- (j) When full-time employees are assigned in accordance with this Article no part-time positions shall be created in the same classification level in the location from which such assignment occurred for a period of six (6) months thereafter unless a full-time position becomes vacant through attrition.

28.11 Language of Work

An employee will not be required to transfer to a location where the working language is different from that used in the employee's former location.

MEMORANDUM OF UNDERSTANDING

BETWEEN

CANADA POST CORPORATION

AND

**THE PUBLIC SERVICE ALLIANCE OF CANADA / UNION OF POSTAL
COMMUNICATIONS EMPLOYEES**

RE: NEW JOB EVALUATION PLAN

The parties recognize the desirability of implementing a new job evaluation plan appropriate to the needs of the parties. The parties also recognize and support the principle of equal pay for work of equal value as defined in the Canadian Human Rights Act.

The parties also recognize that significant progress towards developing a new job evaluation plan has been made as a result of the efforts of the parties arising from previous Memoranda of Understanding. The parties further recognize the desirability of building upon that progress by continuing the process of consultation and review with a view to the full implementation of a new job evaluation plan.

A new job evaluation plan shall apply to all positions in the bargaining unit and shall meet the following requirements:

- (a) be free of gender bias and shall meet the requirements of section 11 of the Canadian Human Rights Act;
- (b) not discriminate against any employee or group of employees in the bargaining unit on the basis of any of the grounds prohibited by the Canadian Human Rights Act;
- (c) be based on sound job evaluation principles and fairly and adequately assess every type of work performed in the bargaining unit.

The parties therefore agree to the following:

- 1.0 (a) The parties, through Appendix "D" of the collective agreement that expired on October 30, 2001, have agreed on job factors, degrees, and benchmarks applicable to a new job evaluation plan.

- (b) The Job Evaluation Plan Manual shall be defined as including the factors, degrees, weightings, rating scales, class levels, point ratings by factor, point boundaries, benchmarks, evaluations of the benchmarks and rationales of the benchmarks.
- 2.0 The parties acknowledge that the job evaluation plan will apply exclusively to positions in the bargaining unit and would have no application to, and would not be appropriately applied to, any other positions within the Corporation.
- 3.0 The parties acknowledge that the Corporation, in accordance with the aforementioned Appendix "D", has evaluated positions in the bargaining unit in accordance with 1.0 a) above.
- 4.0 The Corporation and the Alliance shall jointly communicate with employees respecting the objectives of, and progress under, this Appendix.

Implementation

- 5.0 Within thirty (30) days of the signing of the collective agreement, the parties will establish a Job Evaluation Committee (the "Committee") which shall be composed of three (3) representatives of the Corporation and three (3) representatives of the Alliance. Either party may replace its representatives on the Committee.
- 6.0 The Committee shall be a national committee, based in Ottawa, and shall meet on a full-time basis in order to discharge its mandate as set out below.
- 7.0 The Corporation shall be responsible for the expenses of the Committee, including the salaries and benefits, travel and accommodation of all members of the Committee who are not full-time representatives of the Alliance, in accordance with the collective agreement and the Corporation's expense guidelines. If the Alliance representatives require leave, it shall be provided pursuant to Article 41.10 of the collective agreement.
- 8.0 Meetings of the Committee shall commence no later than forty-five (45) days of the signing of the collective agreement.
- 9.0 The Committee shall determine its own rules of proceeding.
- 10.0 Decisions of the Committee shall be taken on the basis of a consensus.
- 11.0 The Committee shall have the following mandate:
 - (a) Discussion with a view to the agreement on, and implementation of, a new job evaluation plan by June 3,

2002, and in this respect will ensure that the new job evaluation plan shall:

- Establish pay levels and rates of pay applicable to the Job Classifications;
 - Establish rules for evaluation and inclusion of surplus employees;
 - Establish rules governing conversion of employees to the new pay structure and full salary protection;
- (b) to review and consult upon point boundaries for each classification level and factor weightings and point values to be assigned to each degree of each factor;
- (c) to retain technical experts or advisors as may be necessary to facilitate the agreement and implementation of a new job evaluation plan;
- (d) to review employee pay increment dates and FI classification hours of work;
- (e) the resolution of any remaining amendments to the collective agreement which may be necessary in order for the agreement and implementation of a new job evaluation plan;
- (f) any other activities the Committee may consider appropriate to the agreement and implementation of a new job evaluation plan (for example, the resolution of mapped positions, conducting employee information sessions and other activities). The Corporation agrees that employees shall be granted the necessary time during business hours to participate in job evaluation activities.

The Committee shall require the approval of the parties at the National level prior to the implementation of a new job evaluation plan.

12.0 The rates of pay applicable to the Job Classifications will be calculated based on the rates of pay applicable to members of the bargaining unit on October 31, 2001. The rates of pay applicable to the Job Classifications will apply effective June 3, 2002. All amounts owing shall be paid within seventy-five (75) days of a June 3, 2002 implementation.

13.0 The Committee shall have no jurisdiction to review, amend or otherwise modify the job factors, degrees and benchmarks identified in paragraph 1.0(a) above.

- 14.0 The mandate of the Committee shall expire on June 3, 2002. Should a new job evaluation plan not be agreed to by the parties by this date, a new job evaluation plan will not be implemented and this Appendix will terminate. However, if the mandate of the Committee has been achieved by the aforementioned date, the parties shall sign-off a copy of the new Job Evaluation Plan Manual.

Conversion Review Procedure

- 15.0 The parties recognize that implementation of a new Job Evaluation Plan is likely to result in a number of classification review requests. The parties agree to the following process for dispute resolution.
- 16.0 This procedure shall apply to all classification review requests arising from the implementation of a new job evaluation plan.
- 17.0 In the event of the implementation of a new job evaluation plan in accordance with the aforementioned, a Classification Review Committee (the "Review Committee") shall be established by June 10, 2002. The Review Committee shall be composed of two (2) representatives appointed by the Corporation, two (2) representatives appointed by the Alliance and a third party specialist with knowledge and expertise in the area of job classification (the "Third Party") who is mutually agreed upon by the Corporation and the Alliance.
- 18.0 (a) The Review Committee shall be responsible for determining the proper classification and level of the position, in accordance with the Job Evaluation Plan Manual. The Review Committee shall have no jurisdiction to review, amend or otherwise modify the Job Evaluation Plan Manual or any other aspect of the new job evaluation plan.
- (b) In addition to the job documentation, evidence as to the duties actually performed, that have been assigned, would be relevant and admissible evidence under the request for review procedure.
- 19.0 The Review Committee shall be a national committee, based in Ottawa, and shall meet as frequently as is necessary in order to fulfill its mandate but not less frequently than twice per month.
- 20.0 Meetings of the Review Committee shall commence no later than June 17, 2002. The Review Committee shall meet at the Corporation's offices, or such other premises provided by the Corporation. The Corporation shall be responsible for the expenses of the Review Committee, including the salaries and benefits of all members of the Review Committee who are not full-time representatives of the Alliance, in accordance with the collective agreement and the Corporation's expense guidelines. If the Alliance representatives require leave, it shall be provided pursuant to Article 41.10 of the collective agreement.

- 21.0 The Corporation shall be responsible for the fees and expenses of the Third Party.
- 22.0 An employee who believes her position has been improperly classified may submit a request for review to the Review Committee. Such a request shall be submitted no later than July 22, 2002.
- 23.0 The Review Committee shall conduct a review of all requests received and shall inform each employee of the results no later than September 16, 2002. This date may be extended by mutual agreement of the parties.
- 24.0 The Review Committee shall endeavour to reach consensus on all evaluations and only vote after failure to reach consensus. Failing consensus, decisions of the Review Committee shall be by simple majority vote. In the event that a majority cannot be achieved, the Third Party shall cast the deciding vote.

General

- 25.0 Upon implementation of a new job evaluation plan, the Job Evaluation Plan Manual shall supersede the Treasury Board classification standards previously in effect for bargaining unit positions. The Job Evaluation Plan Manual shall be used to classify all positions in the bargaining unit until such time as they are superseded by new standards agreed upon by the Alliance and the Corporation.
- 26.0 Any provision contained in this memorandum of understanding may be amended by mutual agreement of the parties.
- 27.0 If agreement is reached, the collective agreement shall be amended to include the new job evaluation plan manual as signed-off by the parties, including collective agreement amendments (as per 12(d) above) and all other related information.

ARTICLE 2 - BENEFIT PROVISION: DENTAL CARE EXPENSE BENEFITS FOR ELIGIBLE EMPLOYEES AND DEPENDENTS

Benefit Payment Clause

Subject to the other sections of this Benefit Provision, if an Eligible Employee incurs Covered Expenses

- (a) as a result of Treatment Necessarily Rendered, or,
- (b) while covered under this Benefit Provision, in respect of a Dependent for whom such Covered Expenses are incurred,

then, for all such Covered Expenses incurred in respect of such Eligible Employee or Dependent in any one calendar year, the Co-Insurance Percentage (as stated in the Table of Benefits) of those such Covered Expenses shall be paid up to but not exceeding the Maximum Amount(s) stated in the Table of Benefits.

Treatment Plan Provision

An Eligible Employee should, prior to the commencement of a course of dental treatment for which the estimated cost is \$300 or more, submit to the Service Organization a Treatment Plan but solely as a basis for the determination of benefits and not as a prerequisite for the payment of benefits. The Service Organization will thereafter advise the Eligible Employee of the amounts payable under this Benefit Provision for the treatment envisaged by the Treatment Plan on the basis of the Treatment Plan estimate.

Deductible Provisions

Calendar Year Deductible - it is hereby provided that:

- (1) the Individual Deductible Amount shall be applied only once to a course of treatment for which a Treatment Plan was submitted in accordance with the Treatment Plan Provision if the treatment was actually rendered in the Treatment Period estimated in the Treatment Plan and the treatment continued beyond the calendar year in which the course of treatment commenced;

- (2) not more than the Family Deductible Amount (as stated in the Table of Benefits) shall be applied against the Covered Expenses of an Eligible Employee and all her Dependents in any one calendar year:
- (3) for the purpose of this provision, the first calendar year is the period from 17 May 1986 to 31 December 1986.

Miscellaneous Provisions

- (1) A Covered Expense is deemed to have been incurred on the date the service was rendered or the supply was purchased.
- (2) Covered Expenses shall be subject to the Coordination of Benefits Provision as defined in this Dental Plan.

ARTICLE 3 - GENERAL LIMITATIONS

- A. No benefits shall be paid for or on account of:
 - (i) an Accidental Dental Injury arising out of or in the course of any employment for remuneration or profit other than with the Corporation, or
 - (ii) an Accidental Dental Injury of a Dependent arising out of or in the course of any employment for remuneration or profit, or
 - (iii) a sickness for which the person whose claim is presented is entitled to indemnity in accordance with the provisions of any Workers' Compensation or similar law.
- B. No benefits shall be paid for:
 - (i) services received in a hospital owned or operated by the Government of Canada or the Government of the United States, unless the Eligible Employee or Dependent is required to pay for such services, or
 - (ii) services provided by a provincial government hospitalization or health plan in which the Eligible Employee or Dependent is eligible to participate, or
 - (iii) services rendered to the Eligible Employee or to the Dependent to which such person is entitled without charge pursuant to any law, or for which there is not cost to the Eligible Employee or Dependent except for the existence of insurance against such cost.

- C. No benefits shall be paid under the provisions of this Dental Plan in respect of expenses incurred for Covered Expenses for which benefits are provided under the Medical Care Insurance Plan of the Participating Province in which the insured person is or was a resident.

ARTICLE 4 - CURRENCY

All monies payable under this Dental Plan shall be payable in lawful money of Canada.

ARTICLE 5 - PROVISION FOR CO-ORDINATION BETWEEN THIS DENTAL PLAN AND OTHER BENEFITS

A. **Benefits Subject to this Provision**

All of the benefits provided under this Dental Plan are subject to this Provision.

B. **Definitions**

- (1) "Plan" means any arrangement providing benefits or services for or by reason of medical or dental care or treatment, which benefits or services are provided by

- (a) any group or group-type
 - (i) insurance policy
 - (ii) prepayment subscriber contract, or
 - (iii) automobile insurance plan;
- (b) any labour-management trustee plan, union welfare plan, corporate plan, or employee benefit organization plan;
- (c) any governmental plan which provides benefits or services, and any coverage required or provided by any statute;
- (d) any individual automobile insurance plan.

The term "*group-type*" means any policy, contract or plan which

- (i) is not available to the general public, and
- (ii) can be obtained and maintained only because of the covered person's membership in or connection with a particular organization or group

regardless of whether individual policy forms are utilized, and whether such plan is designated as "*franchise*", "*blanket*" or in some other fashion.

The term "*Arrangement*" shall be construed separately with respect to each policy, contract, or other arrangement for benefits or services and separately with respect to (i) that portion of any such policy, contract, or other arrangement which reserves the right to take the benefits or services of other Plans into consideration in determining its benefits and (ii) that portion which does not.

- (2) "*This Arrangement*" means that portion of this Dental Plan which provides the benefits that are subject to this Provision.
- (3) "*Allowance Expense(s)*" means any reasonable and Customary Charges at least a portion of which are covered under at least one of the Arrangement covering the person for whom claim is made.

Benefits under a governmental plan shall be taken into consideration without expanding the definition of "*Allowable Expense*" beyond the hospital, medical and surgical benefits as may be provided by such governmental plan.

When an Arrangement provides benefits in the form of services rather than cash payments, the reasonable cash value of each service rendered shall be deemed to be both an Allowable Expense and a benefit paid.

- (4) "*Claim Determination Period*" means a calendar year but the first such Claim Determination Period shall be the period from 17 May 1986 to 31 December 1986.

C. Effect on Benefits

- (1) This Provision shall apply in determining the benefits payable to an Eligible Employee covered under this Arrangement for any Claim Determination Period if, for the Allowable Expenses incurred by such Eligible Employee and her Dependents during such Treatment period, the sum of
 - (a) the benefits that would be payable under this Arrangement in the absence of this Provision, and
 - (b) the benefits that would be payable under all other Arrangements in the absence therein of provisions of similar purpose to this Provision,

would exceed such Allowable Expenses.

(2) As to any Claim Determination Period with respect to which this Provision is applicable, the benefits that would be payable under this Arrangement in the absence of this Provision for the Allowable Expenses incurred by such Eligible Employee and her Dependents during such Claim Determination Period shall be reduced to the extent necessary so that the sum of (a) such reduced benefits and (b) all the benefits payable for such Allowable Expenses under all other Arrangements, except as provided in item (3) of this Section C, shall not exceed the total of such Allowable Expenses. Benefits payable under another Arrangement include the benefits that would have been payable had claim been duly made therefore.

(3) If

- (a) another Arrangement which is involved in item (2) of this Section C and which contains a provision co-ordinating its benefits with those of this Arrangement would, according to its rules, determine its benefits after the benefits of this Agreement have been determined, and
- (b) the rules set forth in item (4) of this Section C would require this Arrangement to determine its benefits before such other Arrangement

then the benefits of such other Arrangement will be ignored for the purposes of determining the benefits under this Arrangement.

(4) For the purposes of item (3) of this Section C, the rules establishing the order of benefit determination are:

- (a) the benefits of an Arrangement which covers the person on whose expenses claim is based other than as a Dependent shall be determined before the benefits of an Arrangement which covers such person as a Dependent;
- (b) the benefits of an Arrangement which covers the person on whose expenses claim is based as a dependent of the spouse having the earlier day and month of birth in the calendar year (year of birth is not relevant) will be the primary carrier for dependents. If both spouses are born on the same day of the same month, benefits will be prorated between the plans in proportion to the amounts that would have been paid under each plan had there been coverage under just that plan.

- (c) When rules (a) and (b) do not establish an order of benefit determination, the benefits of an Arrangement which has covered the person on whose expenses claim is based for the longer period of time shall be determined before the benefits of an Arrangement which has covered such person the shorter period of time.

In determining the length of time an individual has been covered under a given Arrangement, two successive Arrangements of a given group shall be deemed to be one continuous Arrangement so long as the claimant concerned was eligible for coverage within twenty-four hours after the prior Arrangement terminated. Thus, neither a change in the amount or scope of benefits provided by an Arrangement, a change in the carrier insuring the Arrangement nor a change from one type of Arrangement to another (e.g. single employer to multiple employer Arrangement, or vice versa) would constitute the start of a new Arrangement.

If a claimant's effective date of coverage under a given Arrangement is subsequent to the date the carrier first contracted to provide the Arrangement for the group concerned, then, in the absence of specific information to the contrary, the claimant's length of time covered under the Arrangement shall be measured from the claimant's effective date of coverage.

If a claimant's effective date of coverage under a given Arrangement is the same as the date the carrier first contracted to provide the Arrangement for the group concerned, then the carrier shall request the group concerned to furnish the date the claimant first became covered under the earliest of any prior Arrangements the group may have had. If such date is not readily available, the date the claimant first became a member of the group shall be used as the date from which to determine the length of time her coverage under that Arrangement has been in force.

- (5) When this provision operates to reduce the total amount of benefits otherwise payable to an Eligible Employee or Dependent covered under This Arrangement during any Claim Determination Period, each benefit that would be payable in the absence of this Provision shall be reduced proportionately, and such reduced amount shall be charged against any applicable benefit limit of This Arrangement.

D. Right to Receive and Release Necessary Information

For the purpose of determining the applicability of an implementing the terms of this Provision, This Arrangement, or any provision of similar purpose of any other Arrangement, the Service Organization may, without the consent of or notice to any person, release to or obtain from any insurance company or other organization or person any information with respect to any person which the Service Organization deems to be necessary for such purposes. Any Eligible Employee claiming benefits under this Arrangement shall furnish to the Service Organization such information as may be necessary to implement this Provision.

E. Claim Payment Time Limit

If the investigation of possible other coverage for Co-ordination of Benefits purposes delays payment beyond sixty days, payment of the claim shall be made pursuant to this Dental Plan. If such payment is made as the primary plan because there is insufficient information to make payment as the secondary plan the Service Organization shall have the right to recover such excess benefits in accordance with the Right of Recovery Provision.

F. Facility of Payment

Whenever payments which should have been made under This Arrangement in accordance with this provision have been made under any other Plans, the Service Organization shall have the right, exercisable alone and in its sole discretion, to pay over to any organizations making such other payments any amounts it shall determine to be warranted in order to satisfy the intent of this Provision, and amounts so paid shall be deemed to be benefits paid under this Arrangement and, to the extent of such payments, the Corporation shall be fully discharged from liability under this Arrangement.

G. Right of Recovery

Whenever payments have been made by the Service Organization with respect to Allowable Expenses in a total amount, at any time, in excess of the maximum amount of payment necessary at that time to satisfy the intent of this Provision, the Service Organization shall have the right to recover such payments to the extent of such excess from among one or more of the following as the Service Organization shall determine: any persons to or for or with respect to whom such payments were made, any insurance companies and any other organizations.

ARTICLE 6 - GENERAL PROVISIONS

Notice of Claim

Written notice of claim must be given to the Service Organization within twelve (12) months after any expense covered by the Dental Plan has been incurred.

Claims submitted beyond twelve (12) months of the date the expense covered by the Dental Plan was incurred will not be eligible for reimbursement.

Physical Examinations

The Service Organization, at its own expense, shall have the right and opportunity to have the Eligible Employee or Dependent examined when and as often as it may reasonably require during the pendency of a benefit payment hereunder.

4. If PSAC/UPCE believes that newly created position(s) and/or existing position(s) where substantive changes have been made to the job duties should be included within the PSAC/UPCE bargaining unit, it shall so notify the CPC National Committee representatives in writing within fifteen (15) days of receipt of notification and request in writing that the National Committee meet and consult on the above noted position(s). The National Committee shall meet within thirty (30) days from receipt of the Union's request.
5. Failing resolution by the National Committee, the PSAC/UPCE may file a grievance disputing the exclusion of the above noted position(s) from the PSAC/UPCE bargaining unit pursuant to the provisions of the collective agreement.

***APPENDIX "M"**

**SERVICE EXPANSION AND INNOVATION AND CHANGE
COMMITTEE**

1. THE MANDATE

- 1.1 The Corporation and the Alliance recognize that job creation depends upon the Corporation's success in satisfying its customer base, generating additional business opportunities and managing its operations in a competitive manner. The parties recognize that the efforts of employees and management are an important aspect of meeting these requirements. The parties agree to work together to identify ways of enhancing customer satisfaction, generating new revenue and to identify sustainable business opportunities to create additional positions.
- 1.2 The parties also agree that, as provided for in Part 6 of this appendix, either party may propose initiatives that will require that some provisions of the collective agreement be temporarily adapted, changed or suspended.
- 1.3 The Corporation and the Alliance recognize that new opportunities may have new or enhanced skills requirements.
- 1.4 The Corporation and the Alliance therefore agree to create the Service Expansion and Innovation and Change Committee (the "Committee") and to give it the following mandate:

 - (b) to identify Innovation and Change Initiatives, as described in Part 6, aimed at introducing improvements into the operations;
 - (c) to support skills enhancement proposals;
 - (d) to identify ways to enhance customer satisfaction, expand present services and generate new business and revenue opportunities;
 - (e) to identify growth potential in current functions represented by the bargaining agent;
 - (f) to identify proposals to contract in work currently not performed by employees of the Corporation;
 - (g) to identify proposals which will result in service improvement and revenue enhancement;
 - (h) to project the number of positions which could be necessary as a result of the proposals identified above;

- (i) to investigate revenue, service and cost implications of proposed job creation endeavours;

- (k) to evaluate the pilot projects to determine whether the projects can continue on a self-sustaining basis. In order to do this, the Committee, at the request of any member, shall request that the Human Resources Finance function of the Corporation evaluate the above pilot projects to determine whether the positions associated with the projects identified and tested could be advantageously maintained, i.e. that they would generate sufficient additional savings or revenue to cover the costs of the positions, including total labour costs and any net additional costs, or if they could otherwise be beneficial to the employees and to the Corporation.

2. BARGAINING UNIT WORK

- 2.1 Because it is the intention of the Corporation to have its employees perform as much of the work as possible, the Committee is mandated to deal with the question of having work normally and regularly done by the employees of the bargaining unit given outside. This mandate will be carried out as follows:
- (a) All proposals concerning having the work normally and regularly done by the employees of the bargaining unit given outside will be consulted upon in the Committee at least ninety (90) calendar days prior to the proposed implementation date.
 - (b) The Corporation agrees that the representatives of the Alliance will be provided with all relevant information, including any cost benefit analysis conducted in connection with the proposed contracting out. Such information will be provided for the sole purpose of the work of the Committee, subject to clauses 5.5 and 5.6 of part 5 below.
 - (c) The representatives of the Alliance will have the opportunity, after having received all relevant information from the Corporation, to present submissions and make representations in support of retaining the work within the bargaining unit.
 - (d) The Service Expansion and Innovation and Change Committee is mandated to evaluate the proposals of the Corporation, as well as the submissions and representations of the Alliance, and to make the recommendations to the Corporation that it deems appropriate in the circumstances, taking into account the commercial and financial viability of said proposals, submissions and representations.

3. SKILLS ENHANCEMENT

- 3.1 In order to support skills enhancement proposals which will assist employees to benefit from opportunities within the existing mix of jobs in the bargaining unit and from those opportunities which result from new projects and to aid in the development of these skills, the Committee will have the mandate to review skills requirements and assist in the development of programs to ensure that these requirements are met.
- 3.2 The Committee shall be further mandated:
- (a) to investigate skills required in the performance of work currently undertaken within the bargaining unit which will prepare employees for new or enhanced positions or which will enhance the general skills of employees;
 - (b) to investigate skills required for the performance of work which comes into the bargaining unit as a result of business opportunities or any change within the Corporation;
 - (c) to identify the skills requirements associated with the projects described in clause 1.4 above, and determine the means by which they can be met;
 - (d) to investigate co-operative opportunities including, but not limited to, government funding/training programs, community-based co-operative efforts with other employers;
 - (e) to ensure that skills enhancement programs are made available to employees who may wish to benefit from the new opportunities associated with this program.
- 3.3 The Committee shall also investigate general skills, including but not limited to, literacy, completion of secondary school certification, post-secondary education, computer skills, etc.

4. ESTABLISHMENT OF THE SERVICE EXPANSION AND INNOVATION AND CHANGE COMMITTEE

- 4.1 The Committee shall consist of a Steering Committee and a Working Committee.
- 4.2 The Steering Committee shall be composed of two (2) representatives appointed by the Alliance, two (2) representatives appointed by the Corporation and an independent advisor who is mutually agreed upon by both parties.
- 4.3 The Corporation agrees that one (1) of its members of the Steering Committee will be a senior Management representative. The Alliance agrees that one (1) of its members of the Steering Committee will be a

senior Alliance representative. The parties also agree that these Senior Representatives will actively participate in the work of the Committee.

- 4.4 The independent advisor selected by the parties shall remain in place until replaced. Her role is to assist the Steering Committee and act as its chairperson with a right to vote on all proposals that are within the mandate of the Committee.
- 4.5 If the independent advisor is to be replaced and there is no agreement between the parties on the choice of a person, each party will designate within five (5) days an independent counsel who shall agree with the counsel appointed by the other party to designate the advisor within ten (10) days.
- 4.6 The Working Committee shall be composed of two (2) representatives appointed by the Alliance and two (2) representatives appointed by the Corporation. Each party shall be paid from the fund established herein, up to one hundred and twenty thousand dollars (\$120,000) per annum to cover the cost of salaries and benefits. Both Alliance representatives and one (1) of the Corporation's representatives shall be dedicated, on a full-time basis, to carry out the mandates given to it by the Steering Committee. If the Alliance representatives require leave, it shall be provided.
- 4.7 Each party can replace its appointed members to the Steering and Working Committees at any time.
- 4.8 The Steering and Working Committees will determine their own rules of proceedings.
- 4.9 The Steering and Working Committees shall meet as frequently as they deem necessary to fulfill their mandates, but no less than twice per month.
- 4.10 Unless otherwise specified in this Appendix, all decisions shall be taken on the basis of a consensus.
 - (a) If a consensus cannot be reached on the Steering Committee, the decision will be taken by a simple majority vote.
 - (b) If a consensus cannot be reached on the Working Committee, the matter will be referred to the Steering Committee for a decision.
- 4.11 Unless otherwise specified in this Appendix and notwithstanding the provisions of clause 4.10 above, either party may, providing there is unanimity among the party's representatives, refer a mandate to the Working Committee. However, the Working Committee shall not, at any one time, have more than three (3) mandates that are referred to it by only one party's representatives. This does not limit the Steering Committee's ability to refer mandates to the Working Committee by a simple majority vote.

4.12 The Senior Representatives of each party on the Steering Committee may elect to convene a teleconference, as required, with the Chairperson and any members of either committee, to resolve problems experienced by the Working Committee in carrying out its mandates.

5. WORK OF THE SERVICE EXPANSION AND INNOVATION AND CHANGE COMMITTEE

5.1 Unless otherwise specified in this Appendix, in the fulfillment of its mandates as described in Part 1 above, the Steering Committee shall have the ability to establish pilot projects, provide seed money for pilot projects and fund pilot project positions during the period, using the budget set out below.

It is also agreed that positions associated with pilot projects which generate sufficient additional revenue to cover the cost of the position(s), including total labour costs and any net additional costs, as determined by the financial evaluation, will be transferred from the budget of the Committee to the appropriate operational budget.

5.2 The Steering Committee shall:

- (a) receive monies from the Corporation as described herein and deposit these monies in the account described herein;
- (b) maintain financial records of monies received and monies disbursed;
- (c) ensure that arrangements are made to have all financial records and transactions audited by a firm of chartered accountants to be selected by the Steering Committee;
- (d) prepare periodic reports which display and monitor the Working Committee's activities and make these reports available to the Corporation and the Alliance;
- (e) ensure that all disbursements conform to both the policies laid out in this agreement and the specific policies and procedures which will be developed by the Steering Committee;
- (f) perform any other functions that the Steering Committee deems appropriate to fulfill its mandate.
- (g) The Steering Committee shall not be empowered to create debts or liabilities (including contingent liabilities) that carry beyond the end of the first quarter following the expiration of the collective agreement, and the amount of the debts or liabilities shall not exceed four hundred thousand dollars (\$400,000).

- 5.3 The Working Committee shall:
- (a) carry out the mandates it receives from the Steering Committee;
 - (b) report to the Steering Committee its recommendations on its mandates;
 - (c) have recourse to all necessary resources (as approved by the Steering Committee) to carry out its mandates; in addition, each party may unilaterally use up to a maximum of one hundred thousand dollars (\$100,000) per year on work related to this Appendix;
 - (d) devote all the time necessary to fulfill such mandates.
- 5.4 The Steering and Working Committees will be provided with all relevant information including any cost benefit analysis conducted in connection with any proposal. Such information will be provided for the sole purpose of the work of the Committee.
- 5.5 When requested by the Corporation, to protect the commercial interests of the Corporation, the representatives of the Alliance on behalf of the Alliance will enter into an undertaking to keep confidential and not to disclose any information or proposal of the Corporation and the proposed contractor.
- A failure to provide such an undertaking shall relieve the Corporation of its obligation to provide such information, including information requested under clause 5.4.
- 5.6 Similarly, when requested by the Alliance the representatives of the Corporation on behalf of the Corporation will also enter into an undertaking to keep confidential any information or proposal received from the Alliance.
- 5.7 The Steering Committee will agree upon a designated arbitrator who for the life of the collective agreement will be available to:
- (a) rule on the relevancy of information requests, including those mentioned in clause 2.1 (b) of part 2 above, or the requests for a confidentiality undertaking pursuant to clauses 5.5 and 5.6 above;
 - (b) extend the time under clause 2.1 (a) of part 2 above by up to a maximum of thirty (30) calendar days under exceptional circumstances;
 - (c) decide forthwith upon any matter concerning such requests for information or confidentiality.
- 5.8 The jurisdiction of the designated arbitrator is strictly limited to rulings on the relevancy of the information requested, on requests for confidentiality and on any complaints that an undertaking of confidentiality given under clauses

5.5 and 5.6 has been breached and to grant accordingly any remedy or compensation that he or she deems appropriate.

- 5.9 If the parties are unable to agree upon a designated arbitrator, the Minister of Labour will be requested to nominate such arbitrator for the life of the collective agreement.
- 5.10 The fees and expenses of the arbitrator mentioned above shall be paid out of the fund.
- 5.11 For each pilot project discussed under this Appendix:
- (a) The Working Committee shall prepare a business case in accordance with the Corporation's project costing and evaluation processes, and present it to the Steering Committee for approval.
 - (b) If the pilot project is approved and funds are available, the project will proceed. If the funds are not available, the project start date will be delayed until there are sufficient funds.
 - (c) Upon completion of a pilot project, an evaluation will be presented to the Steering Committee for a decision.
 - (d) Where appropriate, pilot projects will be funded on a net incremental cost basis, but evaluated on a full cost basis.
 - (e) The business case will be used in the evaluation of a pilot project and will form part of the decision to transfer pilot projects to an operational budget.

6. INNOVATION AND CHANGE INITIATIVES

- 6.1 The parties recognize that they can approve initiatives that require the carrying out of pilot projects. These initiatives will require that some provisions of the collective agreement be adapted, changed or suspended for the duration of the pilot project. These initiatives may be implemented only after the conditions set out in clauses 6.2 and 6.3 below have been met. As a result, the parties agree to the following provisions.
- 6.2 Either party may propose an initiative to the Steering Committee. Each such initiative is studied as soon as possible and the Steering Committee identifies the provisions of the collective agreement that require adaptation, changes or suspension. It also determines the duration of the pilot project and the extent to which corporate initiatives will be funded. It is understood that the Steering Committee will fund all evaluations requested by the Alliance of Corporate initiatives.
- 6.3 The Corporation and the Alliance may then agree to adapt, change or suspend provisions of the collective agreement and such an agreement is only valid for the duration of the pilot project agreed to between the parties;

this agreement shall form an integral part of the collective agreement for the duration of the pilot project.

- 6.4 When the pilot project ends, the agreement shall automatically end, unless the Alliance and the Corporation agree to extend the project and the agreement for a specified period.
- 6.5 Once the Committee reviews the results of the pilot project the Corporation and the Alliance may agree to make permanent changes to the provisions of the collective agreement to ensure the final implementation of the initiative.

***7. THE SERVICE EXPANSION AND INNOVATION AND CHANGE FUND**

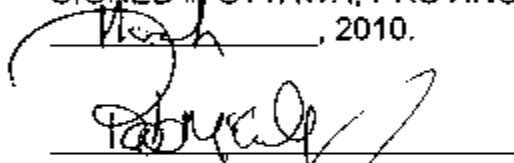

- 7.1 The Corporation agrees to contribute to a Service Expansion and Innovation and Change fund (the "fund") to be used in accordance with the mandates described in Part 1 above and administered by the Steering Committee as set out in Parts 4 and 5 above.
- 7.2 An account shall be established to receive the monies from the Corporation described herein. Withdrawals or cheques drawn on this account shall require the signature of two (2) members of the Steering Committee, one (1) from the Corporation and one (1) from the Alliance, and this requirement shall be defined in the banking arrangement documents to be completed by the Steering Committee.
- 7.3 The Corporation shall, within fifteen (15) days after each quarter-end, commencing with the second quarter ending June 2009, deposit an amount of one hundred and fifty-five thousand dollars (\$155,000).
- 7.4 * Any residual amounts in the fund established under the collective agreement expiring on August 31, 2008, will be transferred into the new fund established herein.
- 7.5 At no time shall the fund balance exceed one million dollars (\$1,000,000). Should a quarterly payment under clause 6.3 cause the fund to exceed one million dollars (\$1,000,000), then that payment shall be reduced so that the payment plus the fund balance prior to the payment shall not exceed one million dollars (\$1,000,000). If within sixty (60) days subsequent to the date of the reduced payment, the fund balance is reduced as a result of normal disbursements consistent with the mandates of the fund, then all or a portion of the funds withheld shall be paid so that the fund balance is reinstated to a maximum of one million dollars (\$1,000,000). After sixty (60) days, the amount of the funds withheld shall no longer be available.

To ensure the proper functioning of the Appendix "M" Fund, the amount of a quarterly payment made under paragraph 7.5 shall be determined based on the current fund balances (market value) less any incurred but not yet paid expenses.

- 7.6 All interest income shall accrue to the fund.

- 7.7 The parties agree that the fund, monies received by it (including but not limited to interest earned) and monies expended by it shall be structured in a manner that is most beneficial for employees.
- 7.8 This Appendix shall continue for the life of the collective agreement. If the Appendix is not renewed, all contributions under clause 7.3 above will cease but funds unspent will continue to be managed by the Steering Committee, according to the mandates described herein, until the end of the first quarter following the expiration of the collective agreement, at which time any unspent funds (minus any outstanding liabilities) shall be returned to the Corporation and the Committee shall cease to function.

**RE: SURPLUS EMPLOYEES ASSIGNED OUTSIDE THE PSAC/UPCE
BARGAINING UNIT**

As a result of discussions during the collective bargaining process for the renewal of the collective agreement which expired on October 31, 2004, the parties have agreed to the following with respect to the surplus employees assigned outside of the PSAC/UPCE bargaining unit:

1. Corporate Team Incentive (CTI):

The Corporation agrees that it shall waive the relevant eligibility requirements of the CTI Plan with respect to employees who are assigned outside of the bargaining unit provided they were eligible for participation in the CTI plan at the time that they were assigned outside of the bargaining unit and that they are not also eligible for CTI as part of their terms and conditions of employment in the other bargaining unit.

The Corporation shall pay the Corporate Team Incentive at the same rate, and on the same day, as all other employees in the PSAC/UPCE bargaining unit.

Notwithstanding the aforementioned, in the event that the employee's straight time earnings from the work assignment(s) outside the bargaining unit surpass the regular earnings to which she would be entitled from her substantive position, the Corporation shall deduct from the CTI payment an amount equal to the difference. For clarity, the employee shall not be entitled to be placed in a better financial position than she would have been in had she remained in the bargaining unit.

2. **Return to bargaining unit:**

Notwithstanding the provisions of clauses 27.03 and 28.10(f) and (g), the Corporation agrees that it shall offer in order of seniority to employees assigned outside of the bargaining unit, opportunities to be reassigned with respect to assignments that are greater than 3 months in duration that are at the same or lower classification level, within a 40 kilometer radius of the location in which the employee is presently employed, provided she is qualified or has the capability and may within a reasonable period of training become qualified.

3. **Surplus Training Program:**

The Corporation agrees that surplus employees who are assigned outside of the bargaining unit shall be eligible to be considered for participation in the surplus training program established under Appendix M.

The terms of this letter shall expire on August 31, 2008, and shall not be renewed unless the parties specifically agree to its extension or renewal.

OBJET: Droits de la personne et conflit en milieu de travail

Monsieur Des Lauriers,

Cette lettre confirme l'engagement de la Société à travailler avec le Syndicat afin de continuer à miser davantage sur nos objectifs communs d'instaurer un milieu de travail libre de conflits et de renforcer l'application des droits de la personne.

En formulant cet engagement, la Société confirme sa politique actuelle en matière de droits de la personne, d'équité en matière d'emploi et de prévention et répression de la violence en milieu de travail.

Étant donné que la Société et le Syndicat ont tous deux manifesté de l'intérêt dans le renforcement de leurs engagements mutuels dans ces domaines, la Société croit que cela peut se réaliser, en partie, par la prestation mixte de formation pour tous les nouvelles employées.

Accordingly, the Corporation wishes to extend an invitation to the Union to work together with the Corporation to continue to develop and implement a one half-day training module for new employees that will address Conflict and Human Rights issues in the workplace. At the same time, our mutual collaboration in this area will serve to assist the parties in identifying situations in the workplace where targeted training or other prevention-related initiatives may also be required to address Human Rights and Conflict in the workplace.

The Corporation will be responsible for all costs for the implementation of this training program, including the costs for materials and preparation by the facilitators.

Training shall be provided in the offices of the Corporation and during the hours of work of employees and facilitators.

Facilitators designated by the Union and the Corporation shall provide the training jointly.

In order to implement this training module and other prevention-related initiatives, a Joint Human Rights Advisory Committee will be created. This Committee will be composed of an equal number of representatives from each party for a combined total of no more than six (6) members unless otherwise agreed. Each party will be responsible for the cost of its representatives on the Committee.

Conséquemment, la Société aimerait inviter le Syndicat à collaborer avec elle afin de continuer à développer et à mettre en œuvre des modules de formation d'une demi-journée à l'intention des nouvelles employées, qui traiteront des conflits et des droits de la personne en milieu de travail. Du même coup, la collaboration mutuelle dans ce domaine aidera les parties à identifier toute situation en milieu de travail pour laquelle une formation ciblée ou une initiative de prévention pourrait aussi être nécessaire afin de régler des situations spécifiques de droits de la personne et de conflits.

La Société prendra en charge tous les coûts relatifs à la mise en œuvre de ce programme de formation, y compris les coûts du matériel requis et de la préparation par les animatrices.

La formation sera donnée dans les locaux de la Société et pendant les heures de travail des employées et des animatrices.

La formation sera offerte conjointement par des animatrices désignées par le Syndicat et la Société.

Un comité consultatif mixte sur les droits de la personne sera formé afin de mettre en œuvre ce programme de formation et toute autre initiative de prévention. Ce comité sera constitué d'un nombre égale de représentantes de chacune des parties pour un totale de six (6) membres. Chacune des parties sera responsable pour le coût de ses représentantes sur le comité.

The Committee will meet as frequently as it deems necessary to fulfill its mandate, but not less than twice a year, and the first meeting shall be held within 90 days of the date of this letter.

The Committee will provide quarterly reports on its work to both parties.

Decisions on the Committee shall be taken on the basis of consensus between the representatives of both parties.

Sincerely,

Rob McCullagh
Chief Negotiator / Négociateur en chef

Le comité se réunira aussi souvent que cela semble nécessaire pour remplir son mandat, mais pas moins de deux fois par an, et la première réunion sera tenue dans les 90 jours de la date de la présente.

Il fournira à chacune des parties des rapports trimestriels sur son travail.

Les décisions prises par le comité doivent l'être en accord avec les représentantes des deux parties.

Bien à vous,

If or once an employee's Personal Days have been exhausted, and so long as the employee is ultimately approved by the Disability Management Provider for short term disability benefits, the employee may during the qualifying period use her sick leave credits accumulated up to December 31, 2009. As of January 1, 2010, all sick leave credits accumulated up to December 31, 2009, will be converted to "top up credits" on an hour for hour basis.,
6. Employees who are approved for short-term disability benefits, shall receive the following benefits:

ARTICLE V – TERMINATION OF BENEFITS

1. An employee's short term disability benefits will be terminated if she fails to comply with any requirements of the program, as set out in the Short Term Disability Plan Document.

ARTICLE VI – APPEAL PROCESS

1. An appeal is a written request from an Employee to revisit the decision on her file. The appeal process is designed to provide an objective review of the decision made and provide the Employee with the opportunity to provide additional medical information.

If an employee avails herself of her right to appeal, she will be entitled to short term disability benefits during the time it takes to come to a determination at first appeal (level 1 appeal). If the appeal is denied, the Corporation shall recover any overpayment from the employee's pay, but such recovery shall not exceed ten percent (10%) of the employee's pay in each pay period, until the entire amount is recovered. Notwithstanding the foregoing, in the event that employment ceases, any overpayment still outstanding may be recovered in full from the final pay.

2. Level 1 Appeal

The employee must submit a written intent to appeal to the Disability Management Provider within 7 calendar days of the original decision having been communicated to the employee.

The employee must provide to the Case Manager with any additional medical information that the employee wishes to submit or that has been requested by the Case Manager within 30 calendar days from the notice to appeal.

The Case Manager will review the additional medical information with the Disability Management Provider's Medical Consultant to clarify the diagnosis, prognosis and treatment plan.

The Case Manager will review the Employee's list of barriers and medical information with the Disability Management Provider's Claims Specialist.

The Disability Management Provider's Claims Specialist will provide a decision and recommendations.

3. Level 2 Appeal

If the employee disagrees with the decision of the Disability Management Provider's Claims Specialist and continues to present medical barriers or wishes to present further medical information, the following process will be followed:

The employee must submit a written intent to appeal to the decision of the Disability Management Provider's Claims Specialist within 7 calendar days of the decision having been communicated to the employee.

The Case Manager will follow the process outlined in 2. above, and review with the Case Manager Supervisor for further determination.

4. Independent final review

Once an employee has been advised in writing that their second appeal has been denied, the employee or her authorized representative has 10 working days to advise the case manager, in writing, of the intent to appeal. An independent occupational health specialist shall review the claim, including any further information provided. The claim documents will include a release that the employee may sign to authorize a union representative to represent the employee's interests during this final review.

The occupational health specialist shall have the authority to hold a hearing.

If the parties are unable to agree on an independent occupational health specialist within 15 working days from the notice to appeal, either party can

make a request to the Minister of Labour for the appointment of an occupational health specialist to make a final review and determination.

The decision of the independent occupational health specialist shall be final and binding upon both parties, without creating a precedent, and shall not be subject to the grievance procedure under the collective agreement.

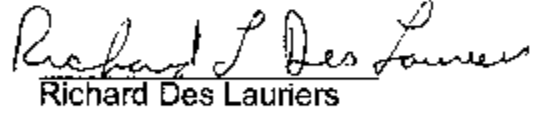

The fees and expenses of the independent occupational health specialist, including the costs of the hearing if any, shall be shared equally between the parties.
