

Script: It's been a year. Fix Phoenix.

Contact [your Member of Parliament](#) and tell them to fix Phoenix. You can use this script when you talk to your MP's office.

- Hi, this is (*your name*), I live in your riding. I'm calling to tell my MP to fix the Phoenix pay system.
- A year ago, the Liberal government began its rollout of Phoenix, and we all know what happened next.
- Since Phoenix was launched, all public service workers have suffered. Many of us have been paid late, inaccurately, or not at all. The rest of us worry every pay day if we will be the next victims of Phoenix.
- (Option - *Tell your story of how Phoenix pay system is affecting you.*) For me personally, Phoenix has impacted me by...
- Please, make fixing Phoenix your priority. Public service workers deserve to be paid correctly and on-time!
