

EB bargaining: Mediation dates set for October

As the next step in the process, our EB bargaining team and Treasury Board have agreed to meet with a third-party, outside mediator on October 8-9 to continue negotiations on behalf of over 1,100 EB group members.

These sessions come after the Federal Public Sector Labour Relations and Employment Board [agreed with PSAC's request](#) to bypass the Public Interest Commission (PIC) process, concluding that a PIC would be unlikely to help the parties reach an agreement.

Our bargaining team is committed to fighting for a fair contract and will continue pushing for improvements on the issues that matter most to members, including fair wages, remote work, job security, and stronger protections in the workplace, particularly around the use of artificial intelligence and surveillance.
