

SV bargaining: Bargaining dates set for September

Our SV bargaining team and Treasury Board will meet September 14–17 to continue negotiations on behalf of over 10,000 SV group members.

Our bargaining team is committed to fighting for a fair contract and will continue pushing for improvements on the issues that matter most to members. Key issues for the SV group include job security, closing pay gaps, callback compensation, fairer performance reviews, green workplace initiatives, long-service pay, and various group-specific improvements.

For more information on how bargaining works, what we're fighting for in this round, where negotiations stand, what comes next, and how you can help us build the pressure we need to win fair collective agreements, visit our [Treasury Board bargaining FAQs](#).
