

# THE EXPLOITS & MISADVENTURES OF PRECARIOUS

Gluten-free?  
What are the ingredients  
in Mr. Noodles?  
Hmmm...

While collecting data on the Principal's vanity project - developing a better toothpaste for a winning smile - a part-time Research Assistant wonders if Ramen for the third time today is really a good idea...

My Prof should hire an RA to clean-up after the five undergrads I supervise.
