

At The Smitty School of Business, Research Assistants study:
*How to make workers smile? And will bringing your pets to work
increase productivity? Will Queen's ever find out?!?*

THE EXPLOITS & MISADVENTURES OF PRECARIOUS

OMG! At first I thought we'd be okay, but it's clear that I need a second or third job in order to make my monthly payments.

Publish or perish, I need intellectual property rights!
