Such approval shall not be unreasonably withheld.

12.02 The Employer will also continue its present practice of making available to the Alliance specific locations on its premises and, where it is practical to do so on vessels, for the placement of reasonable quantities of literature of the Alliance.

12.03 A duly accredited representative of the Alliance may be permitted access to the Employer's premises, including vessels, to assist in the resolution of a complaint or grievance and to attend meetings called by management and/or meetings with Alliance-represented employees. Permission to enter the premises shall, in each case, be obtained from the Employer. Such permission shall not be unreasonably withheld. In the case of access to vessels, the Alliance representative upon boarding any vessel must report to the Master, state his or her business and request permission to conduct such business. It is agreed that these visits will not interfere with the sailing and normal operation of the vessels.

12.04 The Alliance shall provide the Employer with a list of such Alliance representatives and shall advise promptly of any change made to the list.

Individual grievances

18.02 Subject to and as provided in section 208 of the *Federal Public Sector Labour Relations Act*, an employee may present an individual grievance to the Employer if he or she feels aggrieved:

- a. by the interpretation or application, in respect of the employee, of
 - i. a provision of a statute or regulation, or of a direction or other instrument made or issued by the Employer, that deals with terms and conditions of employment; or

- a. In order to present a group grievance, the Alliance must first obtain the written consent of each of the employees concerned.

- b. The grievance procedure for a policy grievance by the Employer shall also be composed of a single level, with the grievance presented to an authorized representative of the Alliance. The Alliance shall inform the Employer of the name, title and address of this representative.

18.07 The parties recognize the value of informal discussion between employees and their supervisors and between the Alliance and the employer to the end that problems might be resolved without recourse to a formal grievance. When notice is given that an employee or the Alliance, within the time limits prescribed in clause 18.15, wishes to take advantage of this clause, it is agreed that the period between the initial discussion and the final response shall not count as elapsed time for the purpose of grievance time limits.

18.09 A grievance shall not be deemed to be invalid by reason only of the fact that it is not in accordance with the form supplied by the Employer.

18.10 Subject to and as provided for in the *Federal Public Sector Labour Relations Act*, a grievor who feels treated unjustly or aggrieved by an action or lack of action by the Employer in matters other than those arising from the classification process is entitled to present a grievance in the manner prescribed in clause 18.08, except that:

- a. where there is another administrative procedure provided by or under any act of Parliament to deal with the grievor's specific complaint such procedure must be followed,
and
- b. where the grievance relates to the interpretation or application of this collective agreement or an arbitral award, an employee is not entitled to present the grievance unless he has the approval of and is represented by the Alliance.

18.11 There shall be no more than a maximum of four (4) levels in the grievance procedure. These levels shall be as follows:

- a. Level 1: first level of management;

- b. Levels 2 and 3 in departments or agencies where such levels are established (intermediate level(s));
- c. Final level: chief executive or deputy head or an authorized representative.

Whenever there are four (4) levels in the grievance procedure, the grievor may elect to waive either Level 2 or 3.

No employer representative may hear the same grievance at more than one level in the grievance procedure.

18.12 The Employer shall designate a representative at each level in the grievance procedure and shall inform each employee to whom the procedure applies of the name or title of the person so designated together with the name or title and address of the immediate supervisor or local officer-in-charge to whom a grievance is to be presented.

18.13 This information shall be communicated to employees by means of notices posted by the Employer in places where such notices are most likely to come to the attention of the employees to whom the grievance procedure applies, or otherwise as determined by agreement between the Employer and the Alliance.

18.14 An employee may be assisted and/or represented by the Alliance when presenting a grievance at any level. The Alliance shall have the right to consult with the Employer with respect to a grievance at each or any level of the grievance procedure.

18.15 A grievor may present a grievance to the first level of the procedure in the manner prescribed in clause 18.08, not later than the twenty-fifth (25th) day after the date on which the grievor is notified or on which the grievor first becomes aware of the action or circumstances giving rise to the grievance. The Employer may present a policy grievance in the manner prescribed in clause 18.04 not later than the twenty-fifth (25th) day after the date on which the Employer is notified orally or in writing or on which the Employer first becomes aware of the action or circumstances giving rise to the policy grievance.

18.16 A grievor may present a grievance at each succeeding level in the grievance procedure beyond the first level either:

- a. where the decision or settlement is not satisfactory to the grievor, within ten (10) days after that decision or settlement has been conveyed in writing to the grievor by the Employer,
or
- b. where the Employer has not conveyed a decision to the grievor within the time prescribed in clause 18.17, within fifteen (15) days after presentation by the grievor of the grievance at the previous level.

18.17 The Employer shall normally reply to a grievance at any level of the grievance procedure, except the final level, within ten (10) days after the grievance is presented, and within twenty

(20) days where the grievance is presented at the final level except in the case of a policy grievance, to which the Employer shall normally respond within thirty (30) days. The Alliance shall normally reply to a policy grievance presented by the Employer within thirty (30) days.

18.18 Where an employee has been represented by the Alliance in the presentation of the employee's grievance, the Employer will provide the appropriate representative of the Alliance with a copy of the Employer's decision at each level of the grievance procedure at the same time that the Employer's decision is conveyed to the employee.

18.19 The decision given by the Employer at the final level in the grievance procedure shall be final and binding upon the employee unless the grievance is a class of grievance that may be referred to adjudication.

18.20 In determining the time within which any action is to be taken as prescribed in this procedure, Saturdays, Sundays and designated paid holidays shall be excluded.

18.21 Where the provisions of clause 18.08 cannot be complied with and it is necessary to present a grievance by mail, the grievance shall be deemed to have been presented on the day on which it is postmarked, and it shall be deemed to have been received by the Employer on the day it is delivered to the appropriate office of the department or agency concerned. Similarly, the Employer shall be deemed to have delivered a reply at any level on the date on which the letter containing the reply is postmarked, but the time limit within which the grievor may present the grievance at the next higher level shall be calculated from the date on which the Employer's reply was delivered to the address shown on the grievance form.

18.22 The time limits stipulated in this procedure may be extended by mutual agreement between the Employer and the grievor and, where appropriate the Alliance representative.

18.23 Where it appears that the nature of the grievance is such that a decision cannot be given below a particular level of authority, any or all the levels except the final level may be eliminated by agreement of the Employer and the grievor, and, where applicable, the Alliance.

18.24 Where the Employer demotes or terminates an employee for cause pursuant to paragraph 12(1)(c), (d) or (e) of the *Financial Administration Act*, the grievance procedure set forth in this agreement shall apply except that the grievance shall be presented at the final level only.

18.25 A grievor may by written notice to the immediate supervisor or officer-in-charge abandon a grievance.

18.26 Any grievor who fails to present a grievance to the next higher level within the prescribed time limits shall be deemed to have abandoned the grievance unless, due to circumstances beyond the grievor's control, the grievor was unable to comply with the prescribed time limits.

18.27 Where a grievance has been presented up to and including the final level in the grievance procedure with respect to:

- a. the interpretation or application of a provision of this collective agreement or related Arbitral Award,
or
- b. termination of employment or demotion pursuant to paragraph 12(1)(c), (d) or (e) of the *Financial Administration Act*,
or
- c. disciplinary action resulting in suspension or financial penalty,

and the grievance has not been dealt with to the grievor's satisfaction, it may be referred to adjudication in accordance with the provisions of the *Federal Public Sector Labour Relations Act* and Regulations.

18.28 Where a grievance that may be presented by an employee to adjudication is a grievance relating to the interpretation or application in respect of the employee of a provision of this agreement or an arbitral award, the employee is not entitled to refer the grievance to adjudication unless the Alliance signifies:

- a. its approval of the reference of the grievance to adjudication,
and
- b. its willingness to represent the employee in the adjudication proceedings.

18.29 The parties agree that any adjudicable grievance may be referred to the following expedited adjudication process:

- b. When the parties agree that a particular grievance will proceed through expedited adjudication, the Alliance will submit to the PSLRB the consent form signed by the grievor or the bargaining agent.
- c. The parties may proceed with or without an Agreed Statement of Facts. When the parties arrive at an Agreed Statement of Facts it will be submitted to the PSLRB or to the Adjudicator at the hearing.
- d. No witnesses will testify.
- e. The Adjudicator will be appointed by the PSLRB from among its members who have had at least three (3) years' experience as a member of the Board.
- f. Each expedited adjudication session will take place in Ottawa, unless the parties and the PSLRB agree otherwise. The cases will be scheduled jointly by the parties and the PSLRB, and will appear on the PSLRB schedule.
- g. The Adjudicator will make an oral determination at the hearing, which will be recorded and initialled by the representatives of the parties. This will be confirmed in a written determination to be issued by the Adjudicator within five (5) days of the hearing. The parties may, at the request of the Adjudicator, vary the above conditions in a particular case.

- h. The Adjudicator's determination will be final and binding on all the parties, but will not constitute a precedent. The parties agree not to refer the determination to the Federal Court.

Article 19: no discrimination

19.01 There shall be no discrimination, interference, restriction, coercion, harassment, intimidation, or any disciplinary action exercised or practised with respect to an employee by reason of age, race, creed, colour, national or ethnic origin, religious affiliation, sex, sexual orientation, gender identity and expression, family status, mental or physical disability, membership or activity in the Alliance, marital status or a conviction for which a pardon has been granted.

21.03 Upon request of either party, the parties to this agreement shall consult meaningfully at the appropriate level about contemplated changes in conditions of employment or working conditions not governed by this agreement.

21.04 Without prejudice to the position the Employer or the Alliance may wish to take in future about the desirability of having the subjects dealt with by the provisions of collective agreements, the subjects that may be determined as appropriate for joint consultation will be by agreement of the parties.

Article 22: health and safety

22.01 The Employer shall make reasonable provisions for the occupational safety and health of employees. The Employer will welcome suggestions on the subject from the Alliance, and the parties undertake to consult with a view to adopting and expeditiously carrying out reasonable procedures and techniques designed or intended to prevent or reduce the risk of employment injury.

Article 23: job security

23.01 Subject to the willingness and capacity of individual employees to accept relocation and retraining, the Employer will make every reasonable effort to ensure that any reduction in the workforce will be accomplished through attrition.

24.07 When, as a result of technological change, the Employer determines that an employee requires new skills or knowledge in order to perform the duties of the employee's substantive position, the Employer will make every reasonable effort to provide the necessary training during the employee's working hours without loss of pay and at no cost to the employee.

25.03 The employees may be required to register their attendance in a form or in forms to be determined by the Employer.

25.04 It is recognized that certain operations require some employees to stay on the job for a full scheduled work period, inclusive of their meal period. In these operations, such employees will be compensated for their meal period in accordance with the applicable overtime provisions.

25.05 The Employer will provide two (2) rest periods of fifteen (15) minutes each per full working day except on occasions when operational requirements do not permit.

However, the Employer will make every effort to arrange meal periods at times convenient to the employees.

25.20

- a. Where an employee's scheduled shift does not commence and end on the same day, such shift shall be considered for all purposes to have been entirely worked:
 - i. on the day it commenced, where half (1/2) or more of the hours worked fall on that day;
or
 - ii. on the day it terminates, where more than half (1/2) of the hours worked fall on that day.
- b. Accordingly, the first (1st) day of rest will be considered to start immediately after midnight of the calendar day on which the employee worked or is deemed to have worked his or her last scheduled shift, and the second (2nd) day of rest will start immediately after midnight of the employee's first (1st) day of rest, or immediately after midnight of an intervening designated paid holiday if days of rest are separated thereby.

Such flexible application of this clause must respect the average hours of work over the duration of the master schedule and must be consistent with operational requirements as determined by the Employer.
- e. Employees covered by this clause shall be subject to the provisions respecting variable hours of work established in clauses 25.25 to 25.28 inclusive.

Appendix B

Memorandum of Understanding Between the Treasury Board of Canada and the Public Service Alliance of Canada with Respect to the Variable Shift Scheduling Arrangements

This memorandum is to give effect to the understanding reached between the Employer and the Public Service Alliance of Canada in respect of employees in the Border Services (FB) bargaining unit.

1. Consultation process

The intent of this Appendix is to provide the parties with a process to facilitate reaching agreement at the local level, within prescribed time frames.

2. VSSA discussions

2.1 Local consultation pursuant to paragraph 25.24(a) of the agreement will take place within five (5) days of notice served by either party to reopen an existing variable shift schedule agreement or negotiate a new variable shift schedule arrangement. Prior to this meeting, the Employer will provide to the Union the following information in respect of its operational requirements:

- a. the number of scheduled employees required for each hour,
and
- b. the rationale for scheduling.

2.2 The number of employees identified in paragraph 2.1 does not represent the minimum presence required on any shift.

2.3 Discussions at the local level shall be concluded within five (5) weeks from the time of the first meeting identified in paragraph 2.1 above.

2.4 Should the parties come to an agreement on a proposed VSSA schedule at the local level, the Union shall submit the schedule for ratification by the employees.

2.5 Should the discussions at the local level not result in an agreement on a proposed VSSA schedule, the parties will immediately refer the outstanding issues to representatives from the Union and regional representatives from the Employer for further consultation.

2.6 Representatives identified under 2.5 above shall conclude their consultation within a maximum of three (3) weeks from the date the outstanding issues have been referred to their attention by the local committee.

2.7 Joint recommendations of the representatives identified under 2.5 above on the outstanding issues, or a proposed VSSA schedule shall be sent back to the local level for consideration for a maximum of one (1) week period.

2.8 Should the parties come to an agreement on a proposed VSSA schedule at the local level, the Union shall submit the schedule for ratification by the employees. Otherwise, the Union will submit the last Employer VSSA proposal to a vote.

2.9 Unless otherwise mutually agreed upon, the ratification vote identified in paragraphs 2.4 or 2.8 and provision of the results to the Employer shall be completed within two (2) weeks.

2.10 Where proposed VSSA is rejected, by mutual agreement, the current VSSA may be extended. Should either party not elect to extend the current VSSA, shift schedule consistent with clause 25.13 will take effect. For employees not already covered by an existing VSSA, the current scheduling arrangement will remain in force.

2.11 In the event that the proposed VSSA is accepted by a ratification vote, the new schedule will be posted in accordance with clause 25.16 of the agreement.

2.12 Except as provided in paragraph 2.10 above, both parties may terminate a VSSA by sending the other a thirty (30) day notice of termination of the existing VSSA unless discussions are ongoing pursuant to this appendix.

2.13 Upon mutual agreement by the parties, time frames included in the provisions of this Appendix may be extended.

3. VSSA line selection

3.1 The Employer will establish the requirements for populating this schedule.

3.2 The Employer will canvass all employees covered by this specific VSSA for volunteers to populate the schedule.

3.3 Should more than one employee meeting the qualifications required select the same line on the schedule, years of service as defined in subparagraph 34.03(a)(i) will be used as the determining factor to allocate the line.

3.4 Subject to 3.3, by mutual consent the parties may agree to conduct a repopulation of schedules at any point over the life of the schedule.

3.5 In the event lines become vacant, the Employer will reassess its scheduling requirement. Should the line still be required, the Employer will review the qualifications required prior to canvassing all employees covered by this specific VSSA. Should more than one employee meeting the qualifications required select the same line on the schedule, years of service as defined in subparagraph 34.03(a)(i) will be used as the determining factor to allocate the line.

For greater clarity, when a vacant line is selected, that line will continue to follow the pre-established pattern, according to the existing schedule.

General

Application

This Appendix applies to all employees. Unless explicitly specified, the provisions contained in Parts I to VI do not apply to alternative delivery initiatives.

Collective agreement

With the exception of those provisions for which the Public Service Commission (PSC) is responsible, this Appendix is part of this agreement.

Notwithstanding the job security article, in the event of conflict between the present Workforce Adjustment Appendix and that article, the present Workforce Adjustment Appendix will take precedence.

Objectives

It is the policy of the Employer to maximize employment opportunities for indeterminate employees affected by workforce adjustment situations, primarily through ensuring that, wherever possible, alternative employment opportunities are provided to them. This should not be construed as the continuation of a specific position or job but rather as continued employment.

To this end, every indeterminate employee whose services will no longer be required because of a workforce adjustment situation and for whom the deputy head knows or can predict that employment will be available will receive a guarantee of a reasonable job offer within the core public administration. Those employees for whom the deputy head cannot provide the guarantee will have access to transitional employment arrangements (as per Parts VI and VII).

Definitions

Accelerated lay-off (mise en disponibilité accélérée)

occurs when a surplus employee makes a request to the deputy head, in writing, to be laid off at an earlier date than that originally scheduled, and the deputy head concurs. Lay-off entitlements begin on the actual date of lay-off.

Affected employee (employé-e touché)

is an indeterminate employee who has been informed in writing that his or her services may no longer be required because of a workforce adjustment situation.

**

Alternation (échange de postes)

occurs when an opting employee or a surplus employee who is surplus as a result of having chosen option 6.4.1(a) who wishes to remain in the core public administration exchanges positions with a non-affected employee (the alternate) willing to leave the core public administration with a Transition Support Measure or with an education allowance.

Alternative delivery initiative (diversification des modes de prestation des services)

is the transfer of any work, undertaking or business of the core public administration to anybody or corporation that is a separate agency or that is outside the core public administration.

Appointing department or organization (ministère ou organisation d'accueil)

is a department or organization that has agreed to appoint or consider for appointment (either immediately or after retraining) a surplus or a laid-off person.

Core public administration (administration publique centrale)

means that part of the public service in or under any department or organization, or other portion of the federal public administration specified in Schedules I and IV to the *Financial Administration Act* (FAA) for which the PSC has the sole authority to appoint.

Deputy head (administrateur général)

has the same meaning as in the definition of “deputy head” set out in section 2 of the *Public Service Employment Act*, and also means his or her official designate.

Education allowance (indemnité d'études)

is one of the options provided to an indeterminate employee affected by normal workforce adjustment for whom the deputy head cannot guarantee a reasonable job offer. The education allowance is a payment equivalent to the Transition Support Measure (see Annex B), plus a reimbursement of tuition from a recognized learning institution and book and mandatory equipment costs, up to a maximum of seventeen thousand dollars (\$17,000).

Guarantee of a reasonable job offer (garantie d'une offre d'emploi raisonnable)

is a guarantee of an offer of indeterminate employment within the core public administration provided by the deputy head to an indeterminate employee who is affected by workforce adjustment. Deputy heads will be expected to provide a guarantee of a reasonable job offer to those affected employees for whom they know or can predict that employment will be available in the core public administration. Surplus employees in receipt of this guarantee will not have access to the options available in Part VI of this Appendix.

Home department or organization (ministère ou organisation d'attache)

is a department or organization declaring an individual employee surplus.

Laid-off person (personne mise en disponibilité)

is a person who has been laid-off pursuant to subsection 64(1) of the PSEA and who still retains an appointment priority under subsection 41(4) and section 64 of the PSEA.

Lay-off notice (avis de mise en disponibilité)

is a written notice of lay-off to be given to a surplus employee at least one (1) month before the scheduled lay-off date. This period is included in the surplus period.

Lay-off priority (priorité de mise en disponibilité)

a person who has been laid off is entitled to a priority, in accordance with subsection 41(5) of the PSEA with respect to any position to which the PSC is satisfied that the person meets the essential qualifications; the period of entitlement to this priority is one (1) year as set out in section 11 of the PSER.

Opting employee (employé-e optant)

is an indeterminate employee whose services will no longer be required because of a workforce adjustment situation, who has not received a guarantee of a reasonable job offer from the deputy head and who has one hundred and twenty (120) days to consider the options in section 6.3 of this Appendix.

Organization (organisation)

Any board, agency, commission or other body, specified in Schedules I and IV of the *Financial Administration Act* (FAA), that is not a department.

Pay (rémunération)

has the same meaning as “rate of pay” in this agreement.

Priority Information Management System (système de gestion de l’information sur les priorités)

is a system designed by the PSC to facilitate appointments of individuals entitled to statutory and regulatory priorities.

Reasonable job offer (offre d’emploi raisonnable)

is an offer of indeterminate employment within the core public administration, normally at an equivalent level, but which could include lower levels. Surplus employees must be both trainable and mobile. Where practicable, a reasonable job offer shall be within the employee’s headquarters as defined in the *Travel Directive*. In alternative delivery situations, a reasonable offer is one that meets the criteria set out under Type 1 and Type 2 in Part VII of this Appendix. A reasonable job offer is also an offer from a FAA Schedule V employer, providing that:

- a. The appointment is at a rate of pay and an attainable salary maximum not less than the employee's current salary and attainable maximum that would be in effect on the date of offer.
- b. It is a seamless transfer of all employee benefits including a recognition of years of service for the definition of continuous employment and accrual of benefits, including the transfer of sick leave credits, severance pay and accumulated vacation leave credits.

Reinstatement priority (priorité de réintégration)

is an entitlement provided to surplus employees and laid-off persons who are appointed or deployed to a position in the federal public administration at a lower level. As per section 10 of the PSER, the entitlement lasts for one (1) year.

Relocation (réinstallation)

is the authorized geographic move of a surplus employee or laid-off person from one place of duty to another place of duty located beyond what, according to local custom, is a normal commuting distance.

Relocation of work unit (réinstallation d'une unité de travail)

is the authorized move of a work unit of any size to a place of duty located beyond what, according to local custom, is normal commuting distance from the former work location and from the employee's current residence.

Retraining (recyclage)

is on-the-job training or other training intended to enable affected employees, surplus employees and laid-off persons to qualify for known or anticipated vacancies within the core public administration.

Surplus employee (employé-e excédentaire)

is an indeterminate employee who has been formally declared surplus, in writing, by his or her deputy head.

Surplus priority (priorité d'employé-e excédentaire)

is an entitlement for a priority in appointment accorded in accordance with section 5 of the PSER and pursuant to section 40 of the PSEA; this entitlement is provided to surplus employees to be appointed in priority to another position in the federal public administration for which they meet the essential requirements.

Surplus status (statut d'employé-e excédentaire)

An indeterminate employee has surplus status from the date he or she is declared surplus until the date of lay-off, until he or she is indeterminately appointed to another position, until his or her surplus status is rescinded, or until the person resigns.

Transition Support Measure (mesure de soutien à la transition)

is one of the options provided to an opting employee for whom the deputy head cannot guarantee a reasonable job offer. The Transition Support Measure is a payment based on the employee's years of service, as per Annex B.

Twelve (12) month surplus priority period in which to secure a reasonable job offer (priorité d'employé-e excédentaire d'une durée de douze (12) mois pour trouver une offre d'emploi raisonnable)

is one of the options provided to an opting employee for whom the deputy head cannot guarantee a reasonable job offer.

Workforce adjustment (réaménagement des effectifs)

is a situation that occurs when a deputy head decides that the services of one or more indeterminate employees will no longer be required beyond a specified date because of a lack of work, the discontinuance of a function, a relocation in which the employee does not wish to participate or an alternative delivery initiative.

Authorities

The PSC has endorsed those portions of this Appendix for which it has responsibility.

Monitoring

Departments or organizations shall retain central information on all cases occurring under this Appendix, including the reasons for the action; the number, occupational groups and levels of employees concerned; the dates of notice given; the number of employees placed without retraining; the number of employees retrained (including number of salary months used in such training); the levels of positions to which employees are appointed and the cost of any salary protection; and the number, types and amounts of lump sums paid to employees.

This information will be used by the Treasury Board Secretariat to carry out its periodic audits.

Enquiries

Enquiries about this Appendix should be referred to the Alliance or to the responsible officers in departmental or organizational headquarters.

Responsible officers in departmental or organizational headquarters may, in turn, direct questions regarding the application of this Appendix to the Senior Director, Excluded Groups and Administrative Policies, Labour Relations and Compensation Operations, Treasury Board Secretariat.

Enquiries by employees pertaining to entitlements to a priority in appointment or to their status in relation to the priority appointment process should be directed to their departmental or organizational human resource advisors or to the Priority Advisor of the PSC responsible for their case.

Part I: roles and responsibilities

1.1 Departments or organizations

1.1.1 Since indeterminate employees who are affected by workforce adjustment situations are not themselves responsible for such situations, it is the responsibility of departments or organizations to ensure that they are treated equitably and, whenever possible, given every reasonable opportunity to continue their careers as public service employees.

1.1.2 Departments or organizations shall carry out effective human resource planning to minimize the impact of workforce adjustment situations on indeterminate employees, on the department or organization, and on the public service.

1.1.3 Departments or organizations shall establish joint workforce adjustment committees, where appropriate, to advise and consult on the workforce adjustment situations within the department or organizations. Terms of reference of such committees shall include a process for addressing alternation requests from other departments and/or organizations.

1.1.4 Departments or organizations shall, as the home department or organization, cooperate with the PSC and appointing departments or organizations in joint efforts to redeploy departmental or organizational surplus employees and laid-off persons.

1.1.5 Departments or organizations shall establish systems to facilitate redeployment or retraining of their affected employees, surplus employees, and laid-off persons.

1.1.6 When a deputy head determines that the services of an employee are no longer required beyond a specified date due to lack of work or discontinuance of a function, the deputy head shall advise the employee, in writing, that his or her services will no longer be required.

Such a communication shall also indicate if the employee:

- a. is being provided with a guarantee from the deputy head that a reasonable job offer will be forthcoming, and that the employee will have surplus status from that date on; or
- b. is an opting employee and has access to the options set out in section 6.3 of this Appendix because the employee is not in receipt of a guarantee of a reasonable job offer from the deputy head.

Where applicable, the communication should also provide the information relative to the employee's possible lay-off date.

1.1.7 Deputy heads will be expected to provide a guarantee of a reasonable job offer for those employees subject to workforce adjustment for whom they know or can predict that employment will be available in the core public administration.

1.1.8 Where a deputy head cannot provide a guarantee of a reasonable job offer, the deputy head will provide one hundred and twenty (120) days to consider the three (3) options outlined in Part VI of this Appendix to all opting employees before a decision is required of them. If the employee fails to select an option, the employee will be deemed to have selected Option (a), twelve (12)-month surplus priority period in which to secure a reasonable job offer.

1.1.9 The deputy head shall make a determination to provide either a guarantee of a reasonable job offer or access to the options set out in section 6.3 of this Appendix upon request by any indeterminate affected employee who can demonstrate that his or her duties have already ceased to exist.

1.1.10 Departments or organizations shall send written notice to the PSC of an employee's surplus status, and shall send to the PSC such details, forms, resumés, and other material as the PSC may from time to time prescribe as necessary for it to discharge its function.

1.1.11 Departments or organizations shall advise and consult with the Alliance representatives as completely as possible regarding any workforce adjustment situation as soon as possible after the decision has been made and throughout the process and will make available to the Alliance the name and work location of affected employees.

1.1.12 The home department or organization shall provide the PSC with a statement that it would be prepared to appoint the surplus employee to a suitable position in the department or organization commensurate with his or her qualifications if such a position were available.

1.1.13 Departments or organizations shall provide the employee with the official notification that he or she has become subject to a workforce adjustment and shall remind the employee that Appendix C, Workforce Adjustment, of this agreement applies.

1.1.14 Deputy heads shall apply this Appendix so as to keep actual involuntary lay-offs to a minimum, and a lay-off shall normally occur only when an individual has refused a reasonable job offer, is not mobile, cannot be retrained within two (2) years, or is laid off at his or her own request.

1.1.15 Departments or organizations are responsible for counselling and advising their affected employees on their opportunities for finding continuing employment in the public service.

1.1.16 Appointment of surplus employees to alternative positions with or without retraining shall normally be at a level equivalent to that previously held by the employee, but this does not preclude appointment to a lower level. Departments or organizations shall avoid appointment to a lower level except where all other avenues have been exhausted.

1.1.17 Home departments or organizations shall appoint as many of their own surplus employees or laid-off persons as possible or identify alternative positions (both actual and anticipated) for which individuals can be retrained.

1.1.18 Home departments or organizations shall relocate surplus employees and laid-off individuals, if necessary.

1.1.19 Relocation of surplus employees or laid-off persons shall be undertaken when the individuals indicate that they are willing to relocate and relocation will enable their redeployment or reappointment, provided that:

- a. there are no available priority persons, or priority persons with a higher priority, qualified and interested in the position being filled;
or
- b. there are no available local surplus employees or laid-off persons who are interested and who could qualify with retraining.

1.1.20 The cost of travelling to interviews for possible appointments and of relocation to the new location shall be borne by the employee's home department or organization. Such cost shall be consistent with the *Travel Directive* and *NJC Relocation Directive*.

1.1.21 For the purposes of the *NJC Relocation Directive*, surplus employees and laid-off persons who relocate under this Appendix shall be deemed to be employees on employer-requested relocations. The general rule on minimum distances for relocation applies.

1.1.22 For the purposes of the *Travel Directive*, a laid-off person travelling to interviews for possible reappointment to the core public administration is deemed to be a "traveller" as defined in the *Travel Directive*.

1.1.23 For the surplus and/or lay-off priority periods, home departments or organizations shall pay the salary, salary protection and/or termination costs as well as other authorized costs such as tuition, travel, relocation and retraining for surplus employees and laid-off persons, as provided for in this agreement and the various directives unless the appointing department or organization is willing to absorb these costs in whole or in part.

1.1.24 Where a surplus employee is appointed by another department or organization to a term position, the home department or organization is responsible for the costs above for one (1) year from the date of such appointment, unless the home department or organization agree to a longer period, after which the appointing department or organization becomes the new home department or organization consistent with PSC authorities.

1.1.25 Departments or organizations shall protect the indeterminate status and surplus priority of a surplus indeterminate employee appointed to a term position under this Appendix.

1.1.26 Departments or organizations shall inform the PSC in a timely fashion, and in a method directed by the PSC, of the results of all referrals made to them under this Appendix.

1.1.27 Departments or organizations shall review the use of private temporary agency personnel, consultants, contractors, and their use of contracted out services, employees appointed for a specified period (terms) and all other non-indeterminate employees. Where practicable, departments or organizations shall refrain from engaging or re-engaging such temporary agency personnel, consultants or contractors, and their use of contracted out services, or renewing the employment of such employees referred to above where this will facilitate the appointment of surplus employees or laid-off persons.

1.1.28 Nothing in the foregoing shall restrict the employer's right to engage or appoint persons to meet short-term, non-recurring requirements. Surplus and laid-off persons shall be given priority even for these short-term work opportunities.

1.1.29 Departments or organizations may lay off an employee at a date earlier than originally scheduled when the surplus employee so requests in writing.

1.1.30 Departments or organizations acting as appointing departments or organizations shall cooperate with the PSC and other departments or organizations in accepting, to the extent possible, affected, surplus and laid-off persons from other departments or organizations for appointment or retraining.

1.1.31 Departments or organizations shall provide surplus employees with a lay-off notice at least one (1) month before the proposed lay-off date if appointment efforts have been unsuccessful. A copy of this notice shall be provided to the National President of the Alliance.

1.1.32 When a surplus employee refuses a reasonable job offer, he or she shall be subject to lay off one (1) month after the refusal, but not before six (6) months have elapsed since the surplus declaration date. The provisions of Annex C of this Appendix shall continue to apply.

1.1.33 Departments or organizations are to presume that each employee wishes to be redeployed unless the employee indicates the contrary in writing.

1.1.34 Departments or organizations shall inform and counsel affected and surplus employees as early and as completely as possible and, in addition, shall assign a counsellor to each opting and surplus employee and laid-off person, to work with him or her throughout the process. Such counselling is to include explanations and assistance concerning:

- a. the workforce adjustment situation and its effect on that individual;
- b. the Workforce Adjustment Appendix;
- c. the PSC's Priority Information Management System and how it works from the employee's perspective;
- d. preparation of a curriculum vitae or resumé;
- e. the employee's rights and obligations;
- f. the employee's current situation (for example, pay, benefits such as severance pay and superannuation, classification, language rights, years of service);
- g. alternatives that might be available to the employee (the alternation process, appointment, relocation, retraining, lower-level employment, term employment, retirement including the possibility of waiver of penalty if entitled to an annual allowance, Transition Support Measure, education allowance, pay in lieu of unfulfilled surplus period, resignation, accelerated lay-off);
- h. the likelihood that the employee will be successfully appointed;
- i. the meaning of a guarantee of a reasonable job offer, a twelve (12) month surplus priority period in which to secure a reasonable job offer, a Transition Support Measure and an education allowance;
- j. advise employees to seek out proposed alternatives and submit requests for approval as soon as possible after being informed they will not be receiving a guarantee of a reasonable job offer;
- k. the Human Resources Centres and their services (including a recommendation that the employee register with the nearest office as soon as possible);
- l. preparation for interviews with prospective employers;
- m. feedback when an employee is not offered a position for which he or she was referred;
- n. repeat counselling as long as the individual is entitled to a staffing priority and has not been appointed;
and
- o. advising the employee that refusal of a reasonable job offer will jeopardize both chances for retraining and overall employment continuity;
- p. advising employees of the right to be represented by the Alliance in the application of this Appendix.

1.1.35 The home departments or organizations shall ensure that, when it is required to facilitate appointment, a retraining plan is prepared and agreed to in writing by it, the employee and the appointing department or organization.

1.1.36 Severance pay and other benefits flowing from other clauses in this agreement are separate from and in addition to those in this Appendix.

1.1.37 Any surplus employee who resigns under this Appendix shall be deemed, for purposes of severance pay and retroactive remuneration, to be involuntarily laid off as of the day on which the deputy head accepts in writing the employee's resignation.

1.1.38 The department or organization will review the status of each affected employee annually, or earlier, from the date of initial notification of affected status and determine whether the employee will remain on affected status or not.

1.1.39 The department or organization will notify the affected employee' in writing, within five (5) working days of the decision pursuant to subsection 1.1.38.

1.2 Treasury Board Secretariat of Canada

1.2.1 It is the responsibility of the Treasury Board Secretariat to:

- a. investigate and seek to resolve situations referred by the PSC or other parties;
- b. consider departmental or organizational requests for retraining resources;
and
- c. ensure that departments or organizations are provided to the extent possible with information on occupations for which there are skill shortages.

1.3 Public Service Commission of Canada

1.3.1 Within the context of workforce adjustment, and the Public Service Commission's (PSC) governing legislation, it is the responsibility of the PSC to:

- a. ensure that priority entitlements are respected;
- b. ensure that a means exists for priority persons to be assessed against vacant positions and appointed if found qualified against the essential qualifications of the position; and
- c. ensure that priority persons are provided with information on their priority entitlements.

1.3.2 The PSC will, in accordance with the *Privacy Act*:

- a. provide the Treasury Board Secretariat with information related to the administration of priority entitlements which may reflect on departments' or organizations' level of compliance with this directive,
and;
- b. provide information to the bargaining agents on the numbers and status of their members in the Priority Information Management System, as well as information on the overall system.

1.3.3 The PSC's roles and responsibilities flow from its governing legislation, not the collective agreement. As such, any changes made to these roles/responsibilities must be agreed upon by the Commission. For greater detail on the PSC's role in administering surplus and lay-off priority entitlements, refer to Annex C of this Appendix.

1.4 Employees

1.4.1 Employees have the right to be represented by the Alliance in the application of this Appendix.

1.4.2 Employees who are directly affected by workforce adjustment situations and who receive a guarantee of a reasonable job offer or opt, or are deemed to have opted, for Option (a) of Part VI of this Appendix are responsible for:

- a. actively seeking alternative employment in cooperation with their departments or organizations and the PSC, unless they have advised the department or organizations and the PSC, in writing, that they are not available for appointment;
- b. seeking information about their entitlements and obligations;
- c. providing timely information (including curricula vitae or resumés) to the home department or organization and to the PSC to assist them in their appointment activities;
- d. ensuring that they can be easily contacted by the PSC and appointing departments or organizations, and attending appointments related to referrals;
- e. seriously considering job opportunities presented to them (referrals within the home department or organization, referrals from the PSC, and job offers made by departments or organizations), including retraining and relocation possibilities, specified period appointments and lower-level appointments.

1.4.3 Opting employees are responsible for:

- a. considering the options in Part VI of this Appendix;
- b. communicating their choice of options, in writing, to their manager no later than one hundred and twenty (120) days after being declared opting.

Part II: official notification

2.1 Department or organization

2.1.1 As already mentioned in 1.1.11, departments or organizations shall advise and consult with the bargaining agent representatives as completely as possible regarding any workforce adjustment situation as soon as possible after the decision has been made and throughout the process, and will make available to the bargaining agent the name and work location of affected employees.

2.1.2 In any workforce adjustment situation that is likely to involve ten (10) or more indeterminate employees covered by this Appendix, the department or organization concerned shall notify the Treasury Board Secretariat of Canada, in confidence, at the earliest possible date and under no circumstances less than four (4) working days before the situation is announced.

2.1.3 Prior to notifying any potentially affected employee, departments or organizations shall also notify the National President of the Alliance. Such notification is to be in writing, in confidence and at the earliest possible date and under no circumstances less than two (2) working days before any employee is notified of the workforce adjustment situation.

2.1.4 Such notification will include the identity and location of the work unit(s) involved, the expected date of the announcement, the anticipated timing of the workforce adjustment situation and the number, group and level of the employees who are likely to be affected by the decision.

Part III: relocation of a work unit

3.1 General

3.1.1 In cases where a work unit is to be relocated, departments or organizations shall provide all employees whose positions are to be relocated with the opportunity to choose whether they wish to move with the position or be treated as if they were subject to a workforce adjustment situation.

3.1.2 Following written notification, employees must indicate, within a period of six (6) months, their intention to move. If the employee's intention is not to move with the relocated position, the deputy head can provide the employee with either a guarantee of a reasonable job offer or access to the options set out in section 6.4 of this Appendix.

3.1.3 Employees relocating with their work units shall be treated in accordance with the provisions of 1.1.18 to 1.1.22.

3.1.4 Although departments or organizations will endeavour to respect employee location preferences, nothing precludes the department or organization from offering a relocated position to an employee in receipt of a guarantee of a reasonable job offer from his or her deputy head, after having spent as much time as operations permit looking for a reasonable job offer in the employee's location preference area.

3.1.5 Employees who are not in receipt of a guarantee of a reasonable job offer shall become opting employees and have access to the options in Part VI of this Appendix.

Part IV: retraining

4.1 General

4.1.1 To facilitate the redeployment of affected employees, surplus employees and laid-off persons, departments or organizations shall make every reasonable effort to retrain such persons for:

- a. existing vacancies;
- or
- b. anticipated vacancies identified by management.

4.1.2 It is the responsibility of the employee, home department or organization and appointing department or organization to identify retraining opportunities pursuant to subsection 4.1.1.

4.1.3 When a retraining opportunity has been identified, the deputy head of the home department or organization shall approve up to two (2) years of retraining.

4.2 Surplus employees

4.2.1 A surplus employee is eligible for retraining, provided that:

- a. retraining is needed to facilitate the appointment of the individual to a specific vacant position or will enable the individual to qualify for anticipated vacancies in occupations or locations where there is a shortage of qualified candidates; and
- b. there are no other available priority persons who qualify for the position.

4.2.2 The home department or organization is responsible for ensuring that an appropriate retraining plan is prepared and is agreed to in writing by the employee and the delegated officers of the home and appointing departments or organizations. The home department or organization is responsible for informing the employee in a timely fashion if a retraining proposal submitted by the employee is not approved. Upon request of the employee, feedback regarding the decision will be provided in writing.

4.2.3 Once a retraining plan has been initiated, its continuation and completion are subject to satisfactory performance by the employee.

4.2.4 While on retraining, a surplus employee continues to be employed by the home department or organization and is entitled to be paid in accordance with his or her current appointment unless the appointing department or organization is willing to appoint the employee indeterminately, on condition of successful completion of retraining, in which case the retraining plan shall be included in the letter of offer.

4.2.5 When a retraining plan has been approved and the surplus employee continues to be employed by the home department or organization, the proposed lay-off date shall be extended to the end of the retraining period, subject to 4.2.3.

4.2.6 An employee unsuccessful in retraining may be laid off at the end of the surplus period if the Employer has been unsuccessful in making the employee a reasonable job offer.

4.2.7 In addition to all other rights and benefits granted pursuant to this section, an employee who is guaranteed a reasonable job offer is also guaranteed, subject to the employee's willingness to relocate, training to prepare the surplus employee for appointment to a position pursuant to 4.1.1, such training to continue for one (1) year or until the date of appointment to another position, whichever comes first. Appointment to this position is subject to successful completion of the training.

4.3 Laid-off persons

4.3.1 A laid-off person shall be eligible for retraining, provided that:

- a. retraining is needed to facilitate the appointment of the individual to a specific vacant position;
- b. the individual meets the minimum requirements set out in the relevant selection standard for appointment to the group concerned;
- c. there are no other available persons with priority who qualify for the position; and
- d. the appointing department or organization cannot justify a decision not to retrain the individual.

4.3.2 When an individual is offered an appointment conditional on successful completion of retraining, a retraining plan shall be included in the letter of offer. If the individual accepts the conditional offer, he or she will be appointed on an indeterminate basis to the full level of the position after having successfully completed training and being assessed as qualified for the position. When an individual accepts an appointment to a position with a lower maximum rate of pay than the position from which he or she was laid off, the employee will be salary-protected in accordance with Part V.

Part V: salary protection

5.1 Lower-level position

5.1.1 Surplus employees and laid-off persons appointed to a lower-level position under this Appendix shall have their salary and pay equity equalization payments, if any, protected in accordance with the salary protection provisions of this agreement or, in the absence of such provisions, the appropriate provisions of the *Regulations Respecting Pay on Reclassification or Conversion*.

5.1.2 Employees whose salary is protected pursuant to 5.1.1 will continue to benefit from salary protection until such time as they are appointed or deployed into a position with a maximum rate of pay that is equal to or higher than the maximum rate of pay of the position from which they were declared surplus or laid off.

Part VI: options for employees

6.1 General

6.1.1 Deputy heads will be expected to provide a guarantee of a reasonable job offer for those affected employees for whom they know or can predict that employment will be available. A deputy head who cannot provide such a guarantee shall provide his or her reasons in writing if so requested by the employee. Employees in receipt of this guarantee will not have access to the choice of options below.

6.1.2 Employees who are not in receipt of a guarantee of a reasonable job offer from their deputy head have one hundred and twenty (120) days to consider the three options below before a decision is required of them.

6.1.3 The opting employee must choose, in writing, one (1) of the three (3) options of section 6.4 of this Appendix within the one hundred and twenty (120) day window. The employee cannot change options once he or she has made a written choice.

6.1.4 If the employee fails to select an option, the employee will be deemed to have selected Option (a), twelve (12) month surplus priority period in which to secure a reasonable job offer, at the end of the one hundred and twenty (120) days window.

6.1.5 If a reasonable job offer that does not require relocation is made at any time during the one hundred and twenty (120) days opting period and prior to the written acceptance of the Transition Support Measure (TSM) or education allowance option, the employee is ineligible for the TSM, the pay in lieu of unfulfilled surplus period or the education allowance.

6.1.6 A copy of any letter issued by the Employer under this part or notice of lay-off pursuant to the *Public Service Employment Act* shall be sent forthwith to the National President of the Alliance.

6.2 Voluntary programs

Departments and organizations shall establish voluntary departure programs for all workforce adjustments situations involving five or more affected employees working at the same group and level and in the same work unit. Such programs shall:

- A. Be the subject of meaningful consultation through joint Union-management WFA committees.
- B. Volunteer programs shall not be used to exceed reduction targets. Where reasonably possible, departments and organizations will identify the number of positions for reduction in advance of the voluntary programs commencing.

- C. Take place after affected letters have been delivered to employees.
- D. Take place before the department or organization engages in the SERLO process.
- E. Provide for a minimum of 30 calendar days for employees to decide whether they wish to participate.
- F. Allow employees to select Options B, C (i) or C (ii).
- G. Provide that when the number of volunteers is larger than the required number of positions to be eliminated, volunteers will be selected based on seniority (total years of service in the public service, whether continuous or discontinuous).

6.3 Alternation

6.3.1 All departments or organizations must participate in the alternation process.

6.3.2 An alternation occurs when an opting employee who wishes to remain in the core public administration exchanges positions with a non-affected employee (the alternate) willing to leave the core public administration under the terms of Part VI of this Appendix.

6.3.3

- a. Only opting and surplus employees who are surplus as a result of having chosen Option A may alternate into an indeterminate position that remains in the core public administration.
- b. If an alternation is proposed for a surplus employee, as opposed to an opting employee, the Transition Support Measure that is available to the alternate under 6.4.1(b) or 6.4.1(c)(i) shall be reduced by one week for each completed week between the beginning of the employee's surplus priority period and the date the alternation is proposed.

6.3.4 An indeterminate employee wishing to leave the core public administration may express an interest in alternating with an opting employee. Management will decide, however, whether a proposed alternation is likely to result in retention of the skills required to meet the ongoing needs of the position and the core public administration.

6.3.5 An alternation must permanently eliminate a function or a position.

6.3.6 The opting employee moving into the unaffected position must meet the requirements of the position, including language requirements. The alternate moving into the opting position must meet the requirements of the position except if the alternate will not be performing the duties of the position and the alternate will be struck off strength within five (5) days of the alternation.

6.3.7 An alternation should normally occur between employees at the same group and level. When the two (2) positions are not in the same group and at the same level, alternation can still occur when the positions can be considered equivalent. They are considered equivalent when the maximum rate of pay for the higher-paid position is no more than six per cent (6%) higher than the maximum rate of pay for the lower-paid position.

6.3.8 An alternation must occur on a given date, that is, the two (2) employees must directly exchange positions on the same day. There is no provision in alternation for a “domino” effect or for “future considerations.”

For clarity, the alternation will not be denied solely as a result of untimely administrative processes.

6.4 Options

6.4.1 Only opting employees who are not in receipt of the guarantee of a reasonable job offer from the deputy head will have access to the choice of options below:

- a.
 - i. Twelve (12) month surplus priority period in which to secure a reasonable job offer. It is time limited. Should a reasonable job offer not be made within a period of twelve (12) months, the employee will be laid off in accordance with the *Public Service Employment Act*. Employees who choose or are deemed to have chosen this option are surplus employees.
 - ii. At the request of the employee, this twelve (12) month surplus priority period shall be extended by the unused portion of the one hundred and twenty (120) day opting period referred to in 6.1.2 that remains once the employee has selected in writing Option (a).
 - iii. When a surplus employee who has chosen or is deemed to have chosen Option (a) offers to resign before the end of the twelve (12) month surplus priority period, the deputy head may authorize a lump-sum payment equal to the surplus employee’s regular pay for the balance of the surplus period, up to a maximum of six (6) months. The amount of the lump-sum payment for the pay in lieu cannot exceed the maximum of what he or she would have received had he or she chosen Option (b), the Transition Support Measure.
 - iv. Departments or organizations will make every reasonable effort to market a surplus employee within the employee’s surplus period within his or her preferred area of mobility.

or

- b. Transition Support Measure (TSM) is a payment, based on the employee’s years of service in the public service (see Annex B), made to an opting employee. Employees choosing this option must resign but will be considered to be laid off for purposes of severance pay. The TSM shall be paid in one (1) or two (2) lump-sum amounts over a maximum two (2) year period.

or

**

- c. Education allowance is a Transition Support Measure (see Option (b) above) plus an amount of not more than seventeen thousand dollars (\$17,000) for reimbursement of receipted expenses of an opting employee for tuition from a learning institution and costs of books and relevant equipment. Employees choosing Option (c) could either:

- i. resign from the core public administration but be considered to be laid off for severance pay purposes on the date of their departure;
- or
- ii. delay their departure date and go on leave without pay for a maximum period of two (2) years while attending the learning institution. The TSM shall be paid in one (1) or two (2) lump-sum amounts over a maximum two (2) year period. During this period, employees could continue to be public service benefit plan members and contribute both employer and employee shares to the benefits plans and the Public Service Superannuation Plan. At the end of the two (2) year leave without pay period, unless the employee has found alternative employment in the core public administration, the employee will be laid off in accordance with the *Public Service Employment Act*.

6.4.2 Management will establish the departure date of opting employees who choose Option (b) or Option (c) above.

6.4.3 The TSM, pay in lieu of unfulfilled surplus period, and the education allowance cannot be combined with any other payment under the Workforce Adjustment Appendix.

6.4.4 In cases of pay in lieu of unfulfilled surplus period, Option (b) and Option (c)(i), the employee relinquishes any priority rights for reappointment upon the Employer's acceptance of his or her resignation.

6.4.5 Employees choosing Option (c)(ii) who have not provided their department or organization with a proof of registration from a learning institution twelve (12) months after starting their leave without pay period will be deemed to have resigned from the core public administration and be considered to be laid off for purposes of severance pay.

6.4.6 All opting employees will be entitled to up to one thousand dollars (\$1,000) towards counselling services in respect of their potential re-employment or retirement. Such counselling services may include financial and job placement counselling services.

6.4.7 An opting employee who has received a TSM, pay in lieu of unfulfilled surplus period, or an education allowance, and is reappointed to the public service shall reimburse the Receiver General for Canada an amount corresponding to the period from the effective date of such reappointment or hiring to the end of the original period for which the TSM or education allowance was paid.

6.4.8 Notwithstanding 6.4.7, an opting employee who has received an education allowance will not be required to reimburse tuition expenses and costs of books and mandatory equipment for which he or she cannot get a refund.

6.4.9 The deputy head shall ensure that pay in lieu of unfulfilled surplus period is only authorized where the employee's work can be discontinued on the resignation date and no additional costs will be incurred in having the work done in any other way during that period.

6.4.10 If a surplus employee who has chosen or is deemed to have chosen Option (a) refuses a reasonable job offer at any time during the twelve (12) month surplus priority period, the employee is ineligible for pay in lieu of unfulfilled surplus period.

6.4.11 Approval of pay in lieu of unfulfilled surplus period is at the discretion of management but shall not be unreasonably denied.

6.5 Retention payment

6.5.1 There are three (3) situations in which an employee may be eligible to receive a retention payment. These are total facility closures, relocation of work units and alternative delivery initiatives.

6.5.2 All employees accepting retention payments must agree to leave the core public administration without priority rights.

6.5.3 An individual who has received a retention payment and, as applicable, either is reappointed to that portion of the core public administration specified from time to time in Schedules I and IV of the *Financial Administration Act* or is hired by the new employer within the six (6) months immediately following his or her resignation shall reimburse the Receiver General for Canada an amount corresponding to the period from the effective date of such reappointment or hiring to the end of the original period for which the lump sum was paid.

6.5.4 The provisions of 6.5.5 shall apply in total facility closures where public service jobs are to cease and:

- a. such jobs are in remote areas of the country;
or
- b. retraining and relocation costs are prohibitive;
or
- c. prospects of reasonable alternative local employment (whether within or outside the core public administration) are poor.

6.5.5 Subject to 6.5.4, the deputy head shall pay to each employee who is asked to remain until closure of the work unit and offers a resignation from the core public administration to take effect on that closure date, a sum equivalent to six (6) months' pay payable on the day on which the departmental or organizational operation ceases, provided the employee has not separated prematurely.

6.5.6 The provisions of 6.5.7 shall apply in relocation of work units where core public administration work units:

- a. are being relocated;
and
- b. the deputy head of the home department or organization decides that, in comparison to other options, it is preferable that certain employees be encouraged to stay in their jobs

until the day of workplace relocation;
and

- c. the employee has opted not to relocate with the function.

6.5.7 Subject to 6.5.6, the deputy head shall pay to each employee who is asked to remain until the relocation of the work unit and who offers a resignation from the core public administration to take effect on the relocation date, a sum equivalent to six (6) months' pay payable on the day on which the departmental or organizational operation relocates, provided the employee has not separated prematurely.

6.5.8 The provisions of 6.5.9 shall apply in alternative delivery initiatives:

- a. where the core public administration work units are affected by alternative delivery initiatives;
- b. when the deputy head of the home department or organization decides that, compared to other options, it is preferable that certain employees be encouraged to stay in their jobs until the day of the transfer to the new employer;
and
- c. where the employee has not received a job offer from the new employer or has received an offer and did not accept it.

6.5.9 Subject to 6.5.8, the deputy head shall pay to each employee who is asked to remain until the transfer date and who offers a resignation from the core public administration to take effect on the transfer date, a sum equivalent to six (6) months' pay payable upon the transfer date, provided the employee has not separated prematurely.

Part VII: special provisions regarding alternative delivery initiatives

Preamble

The administration of the provisions of this part will be guided by the following principles:

- a. fair and reasonable treatment of employees;
- b. value for money and affordability;
and
- c. maximization of employment opportunities for employees.

7.1 Definitions

For the purposes of this part, an **alternative delivery initiative** (diversification des modes d'exécution)

is the transfer of any work, undertaking or business of the core public administration to anybody or corporation that is a separate agency or that is outside the core public administration.

For the purposes of this part, a **reasonable job offer** (offre d'emploi raisonnable)

is an offer of employment received from a new employer in the case of a Type 1 or Type 2 transitional employment arrangement, as determined in accordance with 7.2.2.

For the purposes of this part, a **termination of employment** (licenciement de l'employé-e) is the termination of employment referred to in paragraph 12(1)(f.1) of the *Financial Administration Act*.

7.2 General

Departments or organizations will, as soon as possible after the decision is made to proceed with an alternative delivery initiative (ADI), and if possible, not less than one hundred and eighty (180) days prior to the date of transfer, provide notice to the Alliance component(s) of its intention.

The notice to the Alliance component(s) will include:

- a. the program being considered for ADI;
- b. the reason for the ADI;
- and
- c. the type of approach anticipated for the initiative.

A joint Workforce Adjustment-Alternative Delivery Initiative (WFA-ADI) committee will be created for ADI and will have equal representation from the department or organization and the component(s). By mutual agreement, the committee may include other participants. The joint WFA-ADI committee will define the rules of conduct of the committee.

In cases of ADI, the parties will establish a joint WFA-ADI committee to conduct meaningful consultation on the human resources issues related to the ADI in order to provide information to the employee that will assist him or her in deciding on whether or not to accept the job offer.

1. Commercialization

In cases of commercialization where tendering will be part of the process, the members of the joint WFA-ADI committee shall make every reasonable effort to come to an agreement on the criteria related to human resources issues (for example, terms and conditions of employment, pension and health care benefits, the take-up number of employees) to be included in the request for proposal process. The committee will respect the contracting rules of the federal government.

2. Creation of a new agency

In cases of the creation of new agencies, the members of the joint WFA-ADI committee shall make every reasonable effort to agree on common recommendations related to human resources issues (for example, terms and conditions of employment, pension, and health care benefits) that should be available at the date of transfer.

3. Transfer to existing employers

In all other ADI where an employer-employee relationship already exists, the parties

will hold meaningful consultations to clarify the terms and conditions that will apply upon transfer.

In cases of commercialization and the creation of new agencies, consultation opportunities will be given to the component(s); however, in the event that agreements are not possible, the department or organization may still proceed with the transfer.

7.2.1 The provisions of this part apply only in the case of alternative delivery initiatives and are in exception to other provisions of this Appendix. Employees who are affected by alternative delivery initiatives and who receive job offers from the new employer shall be treated in accordance with the provisions of this Part, and only where specifically indicated will other provisions of this Appendix apply to them.

7.2.2 There are three (3) types of transitional employment arrangements resulting from alternative delivery initiatives:

a. Type 1: full continuity

Type 1 arrangements meet all of the following criteria:

- i. legislated successor rights apply; specific conditions for successor rights applications will be determined by the labour legislation governing the new employer;
- ii. the *Directive on Terms and Conditions of Employment*, the terms of the collective agreement referred to therein and/or the applicable compensation plan will continue to apply to unrepresented and excluded employees until modified by the new employer or by the PSLRB pursuant to a successor rights application;
- iii. recognition of continuous employment, as defined in the *Directive on Terms and Conditions of Employment*, for purposes of determining the employee's entitlements under the collective agreement continued due to the application of successor rights;
- iv. pension arrangements according to the Statement of Pension Principles set out in Annex A or, in cases where the test of reasonableness set out in that Statement is not met, payment of a lump sum to employees pursuant to 7.7.3;
- v. transitional employment guarantee: a two (2) year minimum employment guarantee with the new employer;
- vi. coverage in each of the following core benefits: health benefits, long-term disability insurance (LTDI) and dental plan;
- vii. short-term disability bridging: recognition of the employee's earned but unused sick leave credits up to the maximum of the new employer's LTDI waiting period.

b. Type 2: substantial continuity

Type 2 arrangements meet all of the following criteria:

- i. the average new hourly salary offered by the new employer (= rate of pay + equal pay adjustments + supervisory differential) for the group moving is eighty-

- five per cent (85%) or greater of the group's current federal hourly remuneration (= pay + equal pay adjustments + supervisory differential) when the hours of work are the same;
 - ii. the average annual salary of the new employer (= rate of pay + equal pay adjustments + supervisory differential) for the group moving is eighty-five per cent (85%) or greater of federal annual remuneration (= per cent or greater of federal annual remuneration (= pay + equal pay adjustments + supervisory differential) when the hours of work are different;
 - iii. pension arrangements according to the Statement of Pension Principles as set out in Annex A or, in cases where the test of reasonableness set out in that Statement is not met, payment of a lump sum to employees pursuant to 7.7.3;
 - iv. transitional employment guarantee: employment tenure equivalent to that of the permanent workforce in receiving organizations or a two (2) year minimum employment guarantee;
 - v. coverage in each area of the following core benefits: health benefits, long-term disability insurance (LTDI) and dental plan;
 - vi. short-term disability arrangement.
- c. Type 3: lesser continuity

A Type 3 arrangement is any alternative delivery initiative that does not meet the criteria applying in Type 1 and Type 2 transitional employment arrangements.

7.2.3 For Type 1 and Type 2 transitional employment arrangements, the offer of employment from the new employer will be deemed to constitute a reasonable job offer for purposes of this Part.

7.2.4 For Type 3 transitional employment arrangements, an offer of employment from the new employer will not be deemed to constitute a reasonable job offer for purposes of this Part.

7.3 Responsibilities

7.3.1 Deputy heads will be responsible for deciding, after considering the criteria set out above, which of the types applies in the case of particular alternative delivery initiatives.

7.3.2 Employees directly affected by alternative delivery initiatives are responsible for seriously considering job offers made by new employers and advising the home department or organization of their decision within the allowed period.

7.4 Notice of alternative delivery initiatives

7.4.1 Where alternative delivery initiatives are being undertaken, departments or organizations shall provide written notice to all employees offered employment by the new employer, giving them the opportunity to choose whether or not they wish to accept the offer.

7.4.2 Following written notification, employees must indicate within a period of sixty (60) days their intention to accept the employment offer, except in the case of Type 3 arrangements, where home departments or organizations may specify a period shorter than sixty (60) days, but not less than thirty (30) days.

7.5 Job offers from new employers

7.5.1 Employees subject to this Appendix (see Application) and who do not accept the reasonable job offer from the new employer in the case of Type 1 or Type 2 transitional employment arrangements will be given four (4) months' notice of termination of employment and their employment will be terminated at the end of that period or on a mutually agreed-upon date before the end of the four (4) month notice period, except where the employee was unaware of the offer or incapable of indicating an acceptance of the offer.

7.5.2 The deputy head may extend the notice-of-termination period for operational reasons, but no such extended period may end later than the date of the transfer to the new employer.

7.5.3 Employees who do not accept a job offer from the new employer in the case of Type 3 transitional employment arrangements may be declared opting or surplus by the deputy head in accordance with the provisions of the other parts of this Appendix.

7.5.4 Employees who accept a job offer from the new employer in the case of any alternative delivery initiative will have their employment terminated on the date on which the transfer becomes effective, or on another date that may be designated by the home department or organization for operational reasons, provided that this does not create a break in continuous service between the core public administration and the new employer.

7.6 Application of other provisions of the Appendix

7.6.1 For greater certainty, the provisions of Part II, Official Notification, and section 6.5, Retention Payment, will apply in the case of an employee who refuses an offer of employment in the case of a Type 1 or Type 2 transitional employment arrangement. A payment under section 6.5 may not be combined with a payment under the other section.

7.7 Lump-sum payments and salary top-up allowances

7.7.1 Employees who are subject to this Appendix (see Application) and who accept the offer of employment from the new employer in the case of Type 2 transitional employment arrangements will receive a sum equivalent to three (3) months' pay, payable on the day on which the departmental or organizational work or function is transferred to the new employer. The home department or organization will also pay these employees an eighteen (18) month salary top-up allowance equivalent to the difference between the remuneration applicable to their core public administration position and the salary applicable to their position with the new employer. This allowance will be paid as a lump sum, payable on the day on which the departmental or organizational work or function is transferred to the new employer.

7.7.2 In the case of individuals who accept an offer of employment from the new employer in the case of a Type 2 arrangement and whose new hourly or annual salary falls below eighty per cent (80%) of their former federal hourly or annual remuneration, departments or organizations will pay an additional six (6) months of salary top-up allowance for a total of twenty-four (24) months under this section and 7.7.1. The salary top-up allowance equivalent to the difference between the remuneration applicable to their core public administration position and the salary applicable to

their position with the new employer will be paid as a lump sum, payable on the day on which the departmental or organizational work or function is transferred to the new employer.

7.7.3 Employees who accept the reasonable job offer from the successor employer in the case of Type 1 or Type 2 transitional employment arrangements where the test of reasonableness referred to in the Statement of Pension Principles set out in Annex A is not met, that is, where the actuarial value (cost) of the new employer's pension arrangements is less than six decimal five per cent (6.5%) of pensionable payroll (excluding the employer's costs related to the administration of the plan), will receive a sum equivalent to three (3) months' pay, payable on the day on which the departmental or organizational work or function is transferred to the new employer.

7.7.4 Employees who accept an offer of employment from the new employer in the case of Type 3 transitional employment arrangements will receive a sum equivalent to six (6) months' pay, payable on the day on which the departmental or organizational work or function is transferred to the new employer. The home department or organization will also pay these employees a twelve (12) month salary top-up allowance equivalent to the difference between the remuneration applicable to their core public administration position and the salary applicable to their position with the new employer. The allowance will be paid as a lump sum, payable on the day on which the departmental or organizational work or function is transferred to the new employer. The total of the lump-sum payment and the salary top-up allowance provided under this section will not exceed an amount equivalent to one (1) year's pay.

7.7.5 For the purposes of 7.7.1, 7.7.2 and 7.7.4, the term "remuneration" includes and is limited to salary plus equal pay adjustments, if any, and supervisory differential, if any.

7.8 Reimbursement

7.8.1 An individual who receives a lump-sum payment and salary top-up allowance pursuant to 7.7.1, 7.7.2, 7.7.3 or 7.7.4 and who is reappointed to that portion of the core public administration specified from time to time in Schedules I and IV of the *Financial Administration Act* at any point during the period covered by the total of the lump-sum payment and salary top-up allowance, if any, shall reimburse the Receiver General for Canada an amount corresponding to the period from the effective date of reappointment to the end of the original period covered by the total of the lump-sum payment and salary top-up allowance, if any.

7.8.2 An individual who receives a lump-sum payment pursuant to 7.6.1 and, as applicable, is either reappointed to that portion of the core public administration specified from time to time in Schedules I and IV of the *Financial Administration Act* or hired by the new employer at any point covered by the lump-sum payment, shall reimburse the Receiver General for Canada an amount corresponding to the period from the effective date of the reappointment or hiring to the end of the original period covered by the lump-sum payment.

7.9 Vacation leave credits and severance pay

7.9.1 Notwithstanding the provisions of this agreement concerning vacation leave, an employee who accepts a job offer pursuant to this part may choose not to be paid for earned but unused vacation leave credits, provided that the new employer will accept these credits.

7.9.2 Notwithstanding the provisions of this agreement concerning severance pay, an employee who accepts a reasonable job offer pursuant to this part will not be paid severance pay where successor rights apply and/or, in the case of a Type 2 transitional employment arrangement, when the new employer recognizes the employee's years of continuous employment in the public service for severance pay purposes and provides severance pay entitlements similar to the employee's severance pay entitlements at the time of the transfer. However, an employee who has a severance termination benefit entitlement under the terms of paragraphs 61.05(b) or (c) of Appendix I shall be paid this entitlement at the time of transfer.

7.9.3 Where:

- a. the conditions set out in 7.9.2 are not met,
- b. the severance provisions of this agreement are extracted from this agreement prior to the date of transfer to another non-federal public sector employer,
- c. the employment of an employee is terminated pursuant to the terms of 7.5.1,
or
- d. the employment of an employee who accepts a job offer from the new employer in a Type 3 transitional employment arrangement is terminated on the transfer of the function to the new employer,

the employee shall be deemed, for purposes of severance pay, to be involuntarily laid off on the day on which employment in the core public administration terminates.

Annex A: statement of pension principles

1. The new employer will have in place, or Her Majesty in right of Canada will require the new employer to put in place, reasonable pension arrangements for transferring employees. The test of "reasonableness" will be that the actuarial value (cost) of the new employer pension arrangements will be at least six decimal five per cent (6.5%) of pensionable payroll, which in the case of defined-benefit pension plans will be as determined by the Assessment Methodology dated October 7, 1997, developed by Towers Perrin for the Treasury Board. This assessment methodology will apply for the duration of this agreement. Where there is no reasonable pension arrangement in place on the transfer date or no written undertaking by the new employer to put such reasonable pension arrangement in place effective on the transfer date, subject to the approval of Parliament and a written undertaking by the new employer to pay the employer costs, *Public Service Superannuation Act* (PSSA) coverage could be provided during a transitional period of up to a year.

2. Benefits in respect of service accrued to the point of transfer are to be fully protected.

3. Her Majesty in right of Canada will seek portability arrangements between the Public Service Superannuation Plan and the pension plan of the new employer where a portability arrangement does not yet exist. Furthermore, Her Majesty in right of Canada will seek authority to permit employees the option of counting their service with the new employer for vesting and benefit thresholds under the PSSA.

4. The PSC will, in accordance with the *Privacy Act*, provide information to bargaining agents on the numbers and status of their members who are in the Priority Administration System and, on a service-wide basis.
5. The PSC will ensure that a reinstatement priority is given to all employees who are appointed to a position at a lower level.
6. The PSC will, in accordance with the *Privacy Act*, provide information to the Employer, departments or organizations and/or bargaining agents on referrals of surplus employees and laid-off persons in order to ensure that the priority entitlements are respected.

Memorandum of Understanding Between the Treasury Board of Canada and the Public Service Alliance of Canada with Respect to Implementation of the Collective Agreement

Notwithstanding the provisions of clause 63.03 on the calculation of retroactive payments and clause 65.02 on the collective agreement implementation period, this memorandum is to give effect to the understanding reached between the Employer and the Public Service Alliance of Canada regarding a modified approach to the calculation and administration of retroactive payments for the current round of negotiations.

1. Calculation of retroactive payments

- a. Retroactive calculations that determine amounts payable to employees for a retroactive period shall be made based on all transactions that have been entered into the pay system up to the date on which the historical salary records for the retroactive period are retrieved for the calculation of the retroactive payment.
- b. Retroactive amounts will be calculated by applying the relevant percentage increases indicated in the collective agreement rather than based on pay tables in agreement annexes. The value of the retroactive payment will differ from that calculated using the traditional approach, as no rounding will be applied. The payment of retroactive amount will not affect pension entitlements or contributions relative to previous methods, except in respect of the rounding differences.
- c. Elements of salary traditionally included in the calculation of retroactivity will continue to be included in the retroactive payment calculation and administration and will maintain their pensionable status as applicable. The elements of salary included in the historical salary records and therefore included in the calculation of retroactivity include:
 - salary
 - promotions,
 - deployments,
 - acting pay,
 - extra duty pay / overtime,
 - additional hours worked,
 - maternity leave allowance,
 - parental leave allowance,
 - vacation leave and extra duty pay cash-out
 - severance pay
 - salary for the month of death
 - Transition Support Measure
 - eligible allowances and supplemental salary depending on collective agreement.
- d. The payment of retroactive amounts related to transactions that have not been entered in the pay system as of the date when the historical salary records are retrieved, such as acting pay, promotions, overtime and/or deployments, will not be considered in determining whether an agreement has been implemented.

- e. Any outstanding pay transactions will be processed once they are entered into the pay system and any retroactive payment from the collective agreement will be issued to impacted employees.

2. Implementation

- a. The effective dates for economic increases will be specified in the agreement. Other provisions of the collective agreement will be effective as follows:
 - i. All components of the agreement unrelated to pay administration will come into force on signature of agreement.
 - ii. Changes to existing and new compensation elements such as premiums, allowances, insurance premiums and coverage and changes to overtime rates will become effective within one hundred and eighty (180) days after signature of agreement, on the date at which prospective elements of compensation increases will be implemented under subparagraph 2(b)(i).
 - iii. Payment of premiums, allowances, insurance premiums and coverage and overtime rates in the collective agreement will continue to be paid until changes come into force as stipulated in subparagraph 2(a)(ii).
- b. Collective agreements will be implemented over the following time frames:
 - i. The prospective elements of compensation increases (such as prospective salary rate changes and other compensation elements such as premiums, allowances, changes to overtime rates) will be implemented within one hundred and eighty (180) days after signature of agreement where there is no need for manual intervention.
 - ii. Retroactive amounts payable to employees will be implemented within one hundred and eighty (180) days after signature of the agreement where there is no need for manual intervention.
 - iii. Prospective compensation increases and retroactive amounts that require manual processing by compensation advisors will be implemented within five hundred and sixty (560) days after signature of agreement. Manual intervention is generally required for employees on an extended period of leave without pay (for example, maternity/parental leave), salary-protected employees and those with transactions such as leave with income averaging, pre-retirement transition leave and employees paid below minimum, above maximum or in between steps. Manual intervention may also be required for specific accounts with complex salary history.

3. Employee recourse

- a. An employee who is in the bargaining unit for all or part of the period between the first day of the collective agreement (i.e., the day after the expiry of the previous collective agreement) and the signature date of the collective agreement will be entitled to a non-pensionable amount of five hundred dollars (\$500) payable within one hundred and eighty (180) days of signature, in recognition of extended implementation time frames and the significant number of transactions that have not been entered in the pay system as of the date when the historical salary records are retrieved.

- b. Employees in the bargaining unit for whom the collective agreement is not implemented within one hundred and eighty-one (181) days after signature will be entitled to a fifty-dollar (\$50) non-pensionable amount; these employees will be entitled to an additional fifty dollars (\$50) non-pensionable amount for every subsequent complete period of ninety (90) days their collective agreement is not implemented. These amounts will be included in their final retroactive payment.
- c. If an employee is eligible for compensation in respect of section 3 under more than one collective agreement, the following applies: the employee shall receive only one non-pensionable amount of five hundred dollars (\$500); for any period under paragraph 3(b), the employee may receive one fifty-dollar (\$50) payment.
- d. Late implementation of the 2018 collective agreements will not create any entitlements pursuant to the agreement between the core public administration bargaining agents and the Treasury Board of Canada with regard to damages caused by the Phoenix pay system.
- e. Employees for whom collective agreement implementation requires manual intervention will be notified of the delay within one hundred and eighty (180) days after signature of the agreement.
- f. Employees will be provided a detailed breakdown of the retroactive payments received and may request that the departmental compensation unit or the Public Service Pay Centre verify the calculation of their retroactive payments, where they believe these amounts are incorrect. The Employer will consult with the Alliance regarding the format of the detailed breakdown.
- g. In such a circumstance, for employees in organizations serviced by the Pay Centre, they must first complete a Phoenix feedback form indicating what period they believe is missing from their pay. For employees in organizations not serviced by the Pay Centre, employees shall contact the compensation services of their department.

****Appendix E****Memorandum of Understanding with Respect to a Joint Learning Program**

This memorandum is to give effect to the agreement reached between the Employer and the Public Service Alliance of Canada in respect of employees in the Program and Administration Services, Operational Services, Technical Services, Border Services and Education and Library Science bargaining units.

The PSAC-TBS Joint Learning Program (JLP) will continue to provide joint training on Union management issues.

Starting on the date of signature of the PA collective agreement, the Employer agrees to increase monthly funding to the PSAC-TBS JLP by a percentage equivalent to the annual base economic increase.

The Employer further agrees to provide six hundred and fifty thousand dollars (\$650,000) to fund a pilot project to develop programs, materials, facilitator training and delivery of workshops tailored to the learning needs of occupational health and safety committees and representatives.

The PSAC-TBS JLP will continue to be governed by the existing joint PSAC-TBS Steering Committee. The Bargaining Agent Side Secretary on the National Joint Council will be invited to attend the meetings of the PSAC-JLP Steering Committee with voice but no vote.

Memorandum of Understanding Between the Treasury Board of Canada and the Public Service Alliance of Canada with Respect to Child Care

This Memorandum of Understanding is to give effect to the agreement reached between the Treasury Board of Canada (the Employer) and the Public Service Alliance of Canada (the Alliance) regarding the issue of child-care facilities and employee access to information on child care.

Following completion of the Joint National Child Care Committee (JNCCC)'s work and building on its report, the parties agree to establish a time-limited, joint working group co-chaired by a representative of the PSAC and an Employer representative (Working Group) to explore the concrete issues of child-care facilities in the public service and facilitating employee access to information on child care, and providing advice and analysis with respect to these matters. The Working Group will be comprised of an equal number of Union and Employer representatives.

The Working Group will meet within ninety (90) days of the signing of the collective agreement.

The Working Group will determine its work plan and associated time frames.

This Memorandum of Understanding expires on June 20, 2021.

****Appendix G**

Memorandum of Agreement with Respect to Administrative Suspensions Pending Investigations

Stoppage of pay and allowances will only be invoked in extreme circumstances when it would be inappropriate to pay an employee.

Each case will be dealt with on its own merits and will be considered when the employee is:

1. in jail awaiting trial, or
2. clearly involved in the commission of an offence that contravenes a federal act or the Code of Conduct, and significantly affects the proper performance of his/her duties. If the employee's involvement is not clear during the investigation, the decision shall be deferred pending completion of the preliminary hearing or trial in order to assess the testimony under oath.

**

However, an employee subject to 1. or 2. above will be placed on administrative leave with pay until the employer appoints an investigator and the investigation has begun in the above-referenced matters.

Thereafter, the employee will be administratively suspended without pay, subject to regular reassessment by the Employer.

The Employer agrees to use its best effort to prioritize the above-referenced investigations by case severity.

The timeliness of administrative suspensions will be a standing item on the National Labour Management Committee with the aim of ensuring continuous improvement.

The parties recognize the importance of the timely undertaking of processes outlined in this Appendix.

1. Prior to a position being reclassified to a group and/or level having a lower attainable maximum rate of pay, the incumbent shall be notified in writing.
2. Downward reclassification notwithstanding, an encumbered position shall be deemed to have retained for all purposes the former group and level. In respect to the pay of the incumbent, this may be cited as Salary Protection Status and subject to section 3(b) below shall apply until the position is vacated or the attainable maximum of the reclassified level, as revised from time to time, becomes greater than that applicable, as revised from time to time, to the former classification level. These historical provisions are being reproduced to reflect the agreed language in cases of deferred payment.

b. Resignation

f. Termination for cause for reasons of incapacity or incompetence

- i. When an employee has completed more than one (1) year of continuous employment and ceases to be employed by reason of termination for cause for reasons of incapacity pursuant to paragraph 12(1)(e) of the *Financial Administration Act*, one (1) week's pay for each complete year of continuous employment, to a maximum of twenty-eight (28) weeks.

of termination benefit. Under no circumstances shall the maximum severance pay provided under clause 61.01 be pyramided.

For greater certainty, payments made pursuant to clauses 61.04 to 61.07 or similar provisions in other collective agreements shall be considered as a termination benefit for the administration of clause 61.02.

61.03 Appointment to a separate agency

Memorandum of Agreement with Respect to Leave for Alliance Business: Cost Recovery

This memorandum is to give effect to an agreement reached between the Treasury Board (the Employer) and the Public Service Alliance of Canada (the Alliance) to implement a system of cost recovery for leave for Union business.

The elements of the new system are as follows:

- Recoverable paid leave for Union business for periods of up to 3 months of continuous leave per year;
- Cost recovery will be based on actual salary costs during the leave period, to which a percentage of salary, agreed to by the parties, will be added;
- The Employer will pay for all administration costs associated with the operation of this system.

The surcharge will be based on average expected costs incurred by the Employer for payroll taxes, pensions and supplementary benefits during the operation of the program as described above, calculated according to generally accepted practices.

Notwithstanding anything else in this agreement, and as an overarching principle, it will not include costs for benefits that would otherwise be paid by the Employer during an equivalent period of leave without pay. The consequences of the implementation of clause 14.14 will be cost neutral for the Employer in terms of compensation costs, and will confer neither a substantial financial benefit, nor a substantially increased cost, on the Employer.

As per clause 14.14 of this collective agreement, effective on date of signing:

- Leave granted to an employee under clauses 14.02, 14.09, 14.10, 14.12 and 14.13 of the collective agreement will be with pay;
- The Alliance will reimburse the Employer for the salary and benefit costs of the employee during the period of approved leave with pay according to the terms established by this agreement.

This MOU confirms the terms established by joint agreement between the Employer and the Alliance are as follows:

- It is agreed that leave with pay granted under the above-noted clauses for Alliance business will be paid for by the Employer effective on the date of signing of this collective agreement, pursuant to this MOU. The Alliance shall then compensate the Employer by remitting an amount equivalent to the actual gross salary paid for each person-day, in addition to which shall also be paid the Employer by the Alliance an amount equal to six per cent (6%) of the actual gross salary paid for each person-day,

which sum represents the Employer's contribution for the benefits the employee acquired at work as per the terms established in the appendices noted above.

- On a bimonthly basis and within one hundred and twenty (120) days of the end of the relevant period of leave, the hiring department/agency will invoice the Alliance or Component for the amount owed to them by virtue of this understanding. The amount of the gross salaries and the number of days of leave taken for each employee will be included in the statement.
- The Alliance or Component agrees to reimburse the department/agency for the invoice within sixty (60) days of the date of the invoice.
