#### APPLICATION

- 3.01 The provisions of this Agreement apply to PSAC, employees and the Employer.
- 3.02 Both the English and French texts of this Agreement shall be official.
- 3.03 Throughout this Agreement, words importing the masculine gender shall include the feminine gender.

### ARTICLE 4

#### PRECEDENCE OF LEGISLATION AND THE COLLECTIVE AGREEMENT

- 4.01 In the event that any law passed by Parliament, applying to the House of Commons employees covered by this Agreement, renders null and void any provision of this Agreement, the remaining provisions of the Agreement shall remain in effect for the term of the Agreement.

### ARTICLE 5

#### MANAGERIAL RESPONSIBILITIES

- 5.01 Except to the extent provided herein, this Agreement in no way restricts the authority of those charged with managerial responsibilities in the House of Commons.
- 5.02 The Employer undertakes to exercise its managerial rights and discretion in a fair and reasonable manner.

**ARTICLE 6**

**RECOGNITION**

- 6.01 The Employer recognizes PSAC as the exclusive bargaining agent for all employees of the Employer described in the certificate issued by the Public Service Labour Relations Board on May 8, 1987 covering employees of the Operational (OG) Group.

**ARTICLE 7**

**EMPLOYEE REPRESENTATIVES**

- 7.01 The Employer acknowledges the right of PSAC to appoint or otherwise select employees as representatives.
- 7.02 PSAC and the Employer shall endeavour in consultation to determine the jurisdiction of each representative, having regard to the plan of organization, the number and distribution of employees at the work place and the administrative structure implied by the grievance procedure. Where the parties are unable to agree in consultation, then any dispute shall be resolved by the grievance/adjudication procedure.
- 7.03 PSAC shall notify the Employer in writing of the name and jurisdiction of its representatives identified pursuant to clause 7.02 and shall advise promptly of any change made to the list.
- \* 7.04 Except for cases of an urgent nature, a representative shall obtain the permission of their immediate supervisor before leaving their work to investigate employee complaints, to meet with local Management for the purpose of dealing with grievances and to attend meetings called by Management and for any other meetings or hearings specified in Article 12. Permissions provided in this clause shall not be unreasonably withheld. Where practicable, the representative shall report back to their supervisor before resuming their normal duties.

**ARTICLE 8**  
**CHECK-OFF**

- 8.01 Subject to the provisions of this Article, the Employer will, as a condition of employment, deduct an amount equal to the monthly membership dues from the monthly pay of all employees in the bargaining unit. Where an employee does not have sufficient earnings in respect of any month to permit deductions made under this Article, the Employer shall not be obligated to make such deduction from subsequent salary.
- 8.02 PSAC shall inform the Employer in writing of the authorized monthly deduction to be checked off for each employee.
- 8.03 For the purpose of applying clause 8.01, deductions from pay for each employee in respect of each calendar month will start with the first full calendar month of employment to the extent that earnings are available.
- 8.04 An employee who satisfies PSAC and the Employer to the extent that the employee declares in an affidavit that the employee is a member of a religious organization whose doctrine prevents the employee, as a matter of conscience, from making financial contributions to an employee organization and that the employee will make contributions to a charitable organization equal to dues shall not be subject to this article, provided that the affidavit submitted by the employee is countersigned by an official representative of the religious organization involved.
- 8.05 No employee organization, as defined in Section 3 of the *Parliamentary Employment and Staff Relations Act*, other than PSAC, shall be permitted to have membership dues and/or other monies deducted by the Employer from the pay of employees in the bargaining unit.
- 8.06 The amounts deducted in accordance with clause 8.01 shall be remitted to the Comptroller of PSAC by cheque within a reasonable period of time after deductions are made and shall be accompanied by particulars identifying each employee and the deductions made on their behalf.
- 8.07 The Employer agrees to make deductions for other purposes on the basis of the production of appropriate documentation.
- 8.08 PSAC agrees to indemnify and save the Employer harmless against any claim or liability arising out of the application of this Article, except for any claim or liability arising out of an error committed by the Employer limited to the amount actually involved in the error.

**ARTICLE 9**

**TECHNOLOGICAL CHANGE**

- 9.01 Both parties recognize the overall advantages of technological change and will, therefore, encourage and promote technological change in the Employer's operations. Where technological change is to be implemented, the Employer will seek ways and means of minimizing adverse effects on employees, which might result from such changes.
- 9.02 In this Article "Technological Change" means:
- (a) The introduction by the Employer of equipment or material of a different nature than that previously utilized;
  - and
  - (b) A change in the Employer's operations directly related to the introduction of that equipment or material.
- 9.03 The Employer agrees to provide as much advance notice as is practicable but, except in cases of emergency, not less than ninety (90) calendar days written notice to PSAC of the introduction or implementation of technological change when it will result in significant changes in the employment status or working conditions of the employees.
- 9.04 The written notice provided for in clause 9.03 would provide the following information:
- (a) The nature and degree of change.
  - (b) The anticipated date or dates on which the Employer plans to effect change.
  - (c) The location or locations involved.
  - (d) All other pertinent data relating to the anticipated effects on employees.
- 9.05 As soon as reasonably practicable after notice is given under clause 9.03, the Employer shall consult with PSAC concerning the effects of the technological change referred to in clause 9.03 on each group of employees. Such consultation will include but not necessarily be limited to the following:
- (a) The approximate number, class and location of employees likely to be affected by the change.
  - (b) The effect the change may be expected to have on working conditions or terms and conditions of employment on employees.

- 9.06 When, as a result of technological change, the Employer determines that an employee requires new skills or knowledge in order to perform the duties of the employee's substantive position, the Employer will make every reasonable effort to provide the necessary training during the employee's working hours and at no cost to the employee.

## ARTICLE 10

### INFORMATION

- 10.01 The Employer agrees to supply PSAC on a semi-annual basis with the name, geographic location and classification of each employee. The list will be submitted in January and July.
- 10.02 The Employer agrees to supply each employee with a copy of the Collective Agreement and will endeavour to do so within one (1) month after receipt from the printer.
- 10.03 Employees as defined in clause 2.01(h) and who are members of the bargaining unit shall be provided with a copy of the collective agreement, a description of their duties and responsibilities and detailed information concerning the pension plan and insurance plan. These documents will be provided within ten (10) working days of becoming "employees" of the House of Commons.
- 10.04 As part of their orientation, a new employee will be granted a 15-minute period with pay, during normal working hours, within their first two (2) weeks of employment, to meet with their shop steward or the local PSAC representative.
- 10.05 The Employer will notify PSAC Local on a monthly basis of the name, classification and work location of employees as defined in clause 2.01(h) who have been hired, retired, dismissed, transferred in or out of the bargaining unit, resigned or deceased.

## ARTICLE 11

### USE OF EMPLOYER FACILITIES

- 11.01 Reasonable space on bulletin boards in convenient locations will be made available to PSAC for the posting of official Union notices. PSAC shall endeavour to avoid requests for posting of notices which the Employer, acting reasonably, could consider adverse to its interests or to the interests of any of its representatives. Posting of notices or other materials shall require the prior approval of the Employer, except notices of meetings of their members and elections, the names of PSAC representatives, and social and recreational events. Such approval shall not be unreasonably withheld. The bulletin boards referred to in this clause shall be cork backed.
- 11.02 The Employer will make available to PSAC specific locations on its premises for the placement of reasonable quantities of literature of PSAC.
- 11.03 An accredited representative of the PSAC shall have reasonable access to the Employer's premises to assist in the resolution of a complaint or grievance and to attend meetings called by management. Permission to enter the premises shall, in each case, be obtained from the Employer.
- 11.04 The Employer agrees to provide the local PSAC representatives with an Internet account. In recognition of their roles with PSAC, the representatives will be allowed to use this account to communicate with the National PSAC representative.

- 15.01 If employees are prevented from performing their duties because of a strike or lock-out on the premises of another employer, the employees shall report the matter to the Employer, and the Employer will make reasonable efforts to ensure that such employees are employed elsewhere, so that they shall receive their regular pay and benefits to which they would normally be entitled.

**ARTICLE 16**

**RESTRICTION ON OUTSIDE EMPLOYMENT**

- 16.01 Unless otherwise specified by the Employer as being in an area that could represent a conflict of interest, employees shall not be restricted in engaging in other employment outside the hours they are required to work for the Employer provided that the other employment will not affect the employee's level of performance or productivity.

**18.05 Scheduling of Vacation Leave with Pay**

In order to maintain operational requirements, the Employer reserves the right to schedule an employee's vacation leave but shall make every reasonable effort:

- (a) to schedule an employee's vacation leave in an amount and at such time as the employee may request;

and

- (b) not to recall an employee to duty after the employee has proceeded on vacation leave.

House of Commons seniority for scheduling of vacation leave shall be deemed to have commenced on the date of hiring.

- 18.06** Where applicable, the Employer shall endeavour to give a written reply within thirty (30) calendar days of an employee's request for vacation leave but shall reply to an employee's request no later than thirty (30) calendar days prior to the commencement date of the request.

- (a) Should the commencement date of a request for vacation leave be less than thirty (30) calendar days from the request, the Employer shall give a written reply within ten (10) calendar days of the request.

  - or
  - (c) is granted sick leave on production of a medical certificate, the period of vacation leave so displaced shall either be added to the vacation period, if requested by the employee and approved by the Employer, or reinstated for use at a later date.
- 18.08 Where in any vacation year an employee has not been granted all of the vacation leave credited to the employee, the unused portion of the employee's vacation leave shall be carried over into the following vacation year. Carry-over beyond one (1) year of one (1) year's annual leave entitlement shall be by mutual consent.
- 18.09 During any vacation year, upon application by the employee and at the discretion of the Employer, earned but unused vacation leave credits in excess of fifteen (15) days may be paid at the employee's daily rate of pay as calculated from the classification prescribed in their certificate of appointment of the employee's substantive position on December 31st, of the previous vacation year.
- 18.10 **Recall from Vacation Leave with Pay**
  - (a) Where, during any period of vacation leave an employee is recalled to duty, the employee shall be reimbursed for reasonable expenses, as normally defined by the Employer, that the employee incurs:
    - (i) in proceeding to the employee's place of duty,

**18.11 Leave when Employment Terminates**

When an employee dies or otherwise ceases to be employed, the employee or their estate shall be paid an amount equal to the product obtained by multiplying the number of days of earned but unused vacation leave to the employee's credit by the daily rate of pay as calculated from the classification prescribed in the employee's certificate of appointment on the date of the termination of their employment.

**18.12 Advance Payments**

The Employer agrees to issue advance payments of estimated net salary for vacation periods of two (2) or more complete weeks, provided a written request for such advance payment is received from the employee at least six (6) weeks prior to the last pay day before the employee's vacation period commences and provided the employee has been authorized to proceed on vacation leave for the period concerned. Pay in advance of going on vacation shall be made prior to departure. Any overpayment in respect of such pay advances shall be an immediate first charge against any subsequent pay entitlements and shall be recovered in full prior to any further payment of salary.

**18.13 Cancellation of Vacation Leave**

When the Employer cancels or alters a period of vacation leave which it has previously approved in writing, the Employer shall reimburse the employee for the non-returnable portion of vacation contracts and reservations made by the employee in respect of that period, subject to the presentation of such documentation as the Employer may require. The employee must make every reasonable attempt to mitigate any losses incurred and will provide proof of such action to the Employer.

**\* 18.14 One-time Vacation Leave Credit**

- 19.02 An employee absent without pay on both their full working day immediately preceding and their full working day immediately following a designated holiday is not entitled to pay for the holiday, except in the case of an employee who is granted leave without pay under the provisions of Article 12, Leave With or Without Pay For PSAC Business.
- 19.03 When a day designated as a holiday under clause 19.01 coincides with an employee's day of rest, the holiday shall be moved to the first scheduled working day following the employee's day of rest. When a day that is a designated holiday is so moved to a day on which the employee is on leave with pay, that day shall count as a holiday and not as a day of leave.

When two (2) days designated as holidays under clause 19.01 coincide with an employee's consecutive days of rest, the holidays shall be moved to the employee's first two (2) scheduled working days following the days of rest. When the days that are designated holidays are so moved to days on which the employee is on leave with pay, those days shall count as holidays and not as days of leave.
- 19.04 When a day designated as a holiday for an employee is moved to another day under the provisions of clause 19.03:

- (b) Two (2) times the straight-time rate for time worked by the employee on the holiday when the holiday is not the employee's scheduled day of work and is contiguous to a day of rest on which the employee also worked and received overtime in accordance with clause 24.17,  
or
- (c) upon request, and with the approval of the Employer, the employee may be granted:
  - (i) a day of leave with pay (straight-time rate of pay) at a later date in lieu of the holiday,  
and
  - (ii) pay at one and one-half (1 ½) times the straight-time rate of pay for all hours worked up to the regular daily scheduled hours of work,  
and
  - (iii) pay at two (2) times the straight-time rate of pay for all hours worked by the employee on the holiday in excess of the regular daily scheduled hours of work.
- (d) (i) Subject to operational requirements and adequate advance notice, the Employer shall grant lieu days at such times as the employee may request.

- 19.07 Other than when required by the Employer to use a vehicle of the Employer for transportation to a work location other than their normal place of work, time spent by the employee reporting to work or returning to their residence shall not constitute time worked.
- 19.08 Where a day that is a designated holiday for an employee coincides with a day of leave with pay, that day shall count as a holiday and not as a day of leave.

## ARTICLE 20

### OTHER LEAVE WITH OR WITHOUT PAY

#### 20.01 Introduction

In respect of any requests for leave under this Article, the employee may be required to provide satisfactory validation of the circumstances necessitating such requests.

#### 20.02 Bereavement Leave with Pay

For the purpose of this clause, immediate family is defined as father, mother (or alternatively stepfather, stepmother, or foster parent), brother, sister, spouse (including common-law spouse resident with the employee), child (including child of common-law spouse), step-child or ward of the employee, grand-child, father-in-law, mother-in-law, grandparent and relative permanently residing in the employee's household or with whom the employee permanently resides.

- \*
  - (a) When a member of the employee's immediate family dies, an employee shall be entitled to a bereavement period of five (5) consecutive working days which does not extend beyond the day following the day of the funeral. During such period the employee shall be paid for those days which are not regularly scheduled days of rest for that employee. In addition, the employee may be granted up to two (2) days' leave with pay for the purpose of travel related to the death.
  - (b) In special circumstances and at the request of the employee, the five (5) day bereavement period may be moved beyond the day following the day of the funeral but must include the day of the funeral.
  - (c) An employee is entitled to one (1) day's bereavement leave with pay for the purpose related to the death of their son-in-law, daughter-in-law, brother-in-law or sister-in-law.
  - (d) If, during a period of compensatory leave, an employee is bereaved in circumstances under which the employee would have been eligible for bereavement leave with pay under paragraph (a), (b) or (c) of this clause, the employee shall be granted bereavement leave with pay and the employee's compensatory leave credits shall be restored to the extent of any concurrent bereavement leave with pay granted.
  - (e) It is recognized by the parties that the circumstances which call for leave in respect of bereavement are based on individual circumstances. On request, Management may, after considering the particular circumstances involved, grant leave with pay for a period greater than that provided for in clauses 20.02 (a) and (c).

**20.03 Maternity Leave without Pay**

- (A) (1) An employee who becomes pregnant shall, upon request, be granted maternity leave without pay for a period beginning before, on or after the termination date of pregnancy and ending not later than eighteen (18) weeks after the termination date of pregnancy.
  - (a) Notwithstanding sub-clause 20.03 (A) (1):
    - (i) where the employee has not yet proceeded on maternity leave without pay and her new-born child is hospitalized;

or

- (ii) where the employee has proceeded on maternity leave without pay and then returns to work for all or part of the period during which her new-born child is hospitalized;

the period of maternity leave without pay defined in sub-clause 20.03 (A) (1) may be extended beyond the date falling eighteen (18) weeks after the date of termination of pregnancy by a period equal to that portion of the child's hospitalization during which the employee was not on maternity leave, to a maximum of eighteen (18) weeks.

- (b) The extension described in sub-clause 20.03 (A) (1) (a) shall end not later than fifty-two (52) weeks after the termination date of pregnancy.
- (2) The Employer may require an employee to submit a medical certificate certifying pregnancy.
- (3) An employee who has not commenced maternity leave without pay may elect to:
  - (a) use earned vacation and compensatory leave credits up to and beyond the date that her pregnancy terminates;
  - (b) use her sick leave credits up to and beyond the date that her pregnancy terminates, subject to the provisions set out in Article 21 (Sick Leave with Pay). For purposes of this sub-clause, the terms 'illness' or 'injury' used in Article 21 (Sick Leave with Pay) shall include medical disability related to pregnancy.
- (B) An employee shall inform the Employer in writing of her plans for taking leave with and without pay to cover her absence from work due to the pregnancy at least four (4) weeks in advance of the initial date of continuous leave of absence during which termination of pregnancy is expected to occur, unless there is a valid reason why the notice cannot be given.
- (C) Leave granted under this clause shall be counted for the calculation of "continuous employment" for the purpose of calculating severance pay and "service" for the purpose of calculating vacation leave. Time spent on such leave shall be counted for pay increment purposes.

#### **20.04 Maternity Allowance**

- (A) An employee who has been granted maternity leave without pay shall be paid a maternity allowance in accordance with the terms of the Supplemental Unemployment Benefit (SUB) Plan described in sub-clause 20.04 (C), provided that she:

- (1) has completed six (6) months of continuous employment before the commencement of her maternity leave without pay;
- (2) provides the Employer with proof that she has applied for and is in receipt of maternity benefits under the Employment Insurance or the Quebec Parental Insurance Plan in respect of insurable employment with the Employer;

and

- (3) has signed an agreement with the Employer stating that:
  - (a) she will return to work on the expiry date of her maternity leave without pay unless the return to work date is modified by the approval of another form of leave;
  - (b) following her return to work, as described in clause (a), she will work for a period equal to the period she was in receipt of the maternity allowance;
  - (c) should she fail to return to work in accordance with clause (a), or should she return to work but fail to work for the total period specified in clause (b), for reasons other than death, lay-off, early termination due to lack of work or discontinuance of a function of a specified period of employment that would have been sufficient to meet the obligations specified in clause (b), or having become disabled as defined in the *Public Service Superannuation Act*, she will be indebted to the Employer for an amount determined as follows;

$$\begin{array}{rcl} \text{(allowance received)} & \times & \text{(remaining period to be worked} \\ & & \text{following her return to work)} \\ \hline & & \text{[total period to be worked as} \\ & & \text{specified in (b)]} \end{array}$$

However, an employee whose specified period of employment expired and who is rehired by the House of Commons within a period of ninety (90) days or less is not indebted for the amount if her new period of employment is sufficient to meet the obligations specified in paragraph (b).

- (B) For the purpose of sub-clauses 20.04 (A) (3) (b), and (c) periods of leave with pay shall count as time worked. Periods of leave without pay during the employee's return to work will not be counted as time worked but shall interrupt the period referred to in clause (A) (3) (b), without activating the recovery provisions described in clause (A) (3) (c).
- (C) Maternity allowance payments made in accordance with the SUB Plan will consist of the following:
- (1) (a) where an employee is subject to a waiting period of two (2) weeks before receiving Employment Insurance pregnancy benefits, ninety-three per cent (93%) of her weekly rate of pay for each week of the waiting period, less any other monies earned during this period;  

and

(b) for each week in respect of which the employee receives maternity benefits under the Employment Insurance or the Quebec Parental Insurance Plan, the difference between the gross weekly amount of the maternity benefits she is eligible to receive and nine-three per cent (93%) of her weekly rate of pay, less any other monies earned during this period which may result in a decrease in the maternity benefits to which she would have been eligible if no extra monies had been earned during this period.
  - (2) At the employee's request, the payment referred to in subparagraph 20.04 (C) (1) (a) will be estimated and advanced to the employee. Adjustments shall be made once the employee provides proof of receipt of Employment Insurance or Quebec Parental Insurance maternity benefits.
  - (3) The maternity allowance to which an employee is entitled is limited to that provided in clause 20.04 (C) (1), and an employee will not be reimbursed for any amount that she may be required to repay pursuant to the *Employment Insurance Act*, or the *Parental Insurance Act* in Quebec.
  - (4) The weekly rate of pay referred to in sub-clause 20.04 (C) (1) shall be:
    - (a) for a full-time employee, the employee's weekly rate of pay on the day immediately preceding the commencement of maternity leave without pay;

- (b) for an employee who has been employed on a part-time or on a combined full-time and part-time basis during the six (6) month period preceding the commencement of maternity leave, the rate obtained by multiplying the weekly rate of pay in sub-clause 20.04 (C) (4) (a) by the fraction obtained by dividing the employee's straight-time earnings by the straight-time earnings the employee would have earned working full-time during such period.
- (5) The weekly rate of pay referred to in sub-clause 20.04 (C) (4) shall be the rate to which the employee is entitled for her substantive level to which she is appointed.
- (6) Notwithstanding sub-clause 20.04 (C) (5), and subject to sub-clause 20.04 (C) (4) (b), if on the day immediately preceding the commencement of maternity leave without pay, an employee has been on an acting assignment for at least four (4) months, the weekly rate shall be the rate she was being paid on that day.
- (7) Where an employee becomes eligible for a pay increment or pay revision while in receipt of the maternity allowance, the allowance shall be adjusted accordingly.
- (8) Maternity allowance payments made under the SUB Plan will neither reduce nor increase an employee's deferred remuneration or severance pay.

**20.05 Special Maternity Allowance for Totally Disabled Employees**

**(A) An employee who:**

- (1) fails to satisfy the eligibility requirement specified in sub-clause 20.04 (A) (2) solely because a concurrent entitlement to benefits under the Disability Insurance (DI) Plan, the Long-term Disability (LTD) Insurance portion of the Public Service Management Insurance Plan (PSMIP) or the *Government Employees Compensation Act* prevents her from receiving Employment Insurance or Quebec Parental Insurance maternity benefits;
- and
- (2) has satisfied all of the other eligibility criteria specified in sub-clause 20.04 (A), other than those specified in sub-clauses 20.04(A)(3)(a) and 20.04(A)(3)(b);

shall be paid, in respect of each week of maternity allowance not received for the reason described in clause 20.05 (A) (1), the difference between ninety-three per cent (93%) of her weekly rate of pay and the gross amount of her weekly disability benefit under the DI Plan, the LTD Plan, the PSMIP plan or via the *Government Employees Compensation Act*.

- (B) An employee will be paid an allowance under this clause and under clause 20.04 for a combined period of no more than the number of weeks during which she would have been eligible for maternity benefits under the Employment Insurance or the Quebec Parental Insurance Plan had she not been disqualified from Employment Insurance or Quebec Parental Insurance maternity benefits for the reasons described in sub-clause 20.05 (A) (1).

**20.06 Parental Leave without Pay**

- (A) Where an employee has or will have the actual care and custody of a new-born child (including the new-born child of a common-law spouse), the employee shall, upon request, be granted parental leave without pay for a single period of up to thirty-seven (37) consecutive weeks in the fifty-two (52) week period beginning on the day on which the child is born or the day on which the child comes into the employee's care.
- (B) Where an employee commences legal proceedings under the laws of a province to adopt a child or obtains an order under the laws of a province for the adoption of a child, the employee shall, upon request, be granted parental leave without pay for a single period of up to thirty-seven (37) consecutive weeks in the fifty-two (52) week period beginning on the day on which the child comes into the employee's care.
- (C) Notwithstanding paragraphs (A) and (B) above, at the request of an employee and at the discretion of the Employer, the leave referred to in the paragraphs (A) and (B) above may be taken in two periods.
- (D) Notwithstanding paragraphs (A) and (B):
- (1) where the employee's child is hospitalized within the period defined in the above paragraphs and the employee has not yet proceeded on parental leave without pay;
  - or
  - (2) where the employee has proceeded on parental leave without pay and then returns to work for all or part of the period during which his or her child is hospitalized;

the period of parental leave without pay specified in the original leave request may be extended by a period equal to that portion of the period of the child's hospitalization during which the employee was not on parental leave. However, the extension shall end not later than one hundred and four (104) weeks after the day on which the child comes into the employee's care.

- \* (E) An employee who intends to request parental leave without pay shall notify the Employer at least four (4) weeks in advance of the commencement date of such leave.
- (F) The Employer may:
  - (1) defer the commencement of parental leave without pay at the request of the employee;
  - (2) grant the employee parental leave without pay with less than four (4) weeks' notice;
  - (3) require an employee to submit a birth certificate or proof of adoption of the child.
- (G) Leave granted under this clause shall count for the calculation of "continuous employment" for the purpose of calculating severance pay and "service" for the purpose of calculating vacation leave. Time spent on such leave shall count for pay increment purposes.

**20.07 Parental Allowance**

- (A) An employee who has been granted parental leave without pay, shall be paid a parental allowance in accordance with the terms of the Supplemental Unemployment Benefit (SUB) Plan described in sub-clause 20.07 (C) below, providing the employee:
    - (1) has completed six (6) months of continuous employment before the commencement of parental leave without pay;
    - (2) provides the Employer with proof that the employee has applied for and is in receipt of parental, paternity or adoption benefits under the Employment Insurance or the Quebec Parental Insurance Plan in respect of insurable employment with the Employer;
- and
- (3) has signed an agreement with the Employer stating that:
    - (a) the employee will return to work on the expiry date of his/her parental leave without pay, unless the return to work date is modified by the approval of another form of leave;

- (b) following the employee's return to work, as described in paragraph (a), the employee will work for a period equal to the period the employee was in receipt of the parental allowance, in addition to the period of time referred to in paragraph 20.04 (A) (3) (b), if applicable;
- (c) should the employee fail to return to work in accordance with paragraph (a), or should the employee return to work but fail to work the total period specified in paragraph (b), for reasons other than death, lay-off, early termination due to lack of work or discontinuance of a function of a specified period of employment that would have been sufficient to meet the obligations specified in paragraph (b), or having become disabled as defined in the *Public Service Superannuation Act*, the employee will be indebted to the Employer for an amount determined as follows:

$$\begin{array}{rcl}
 \text{(allowance received)} & \times & \text{(remaining period to be worked} \\
 & & \text{following his/her return to work)} \\
 \hline
 & & \text{[total period to be worked as} \\
 & & \text{specified in (b)]}
 \end{array}$$

However, an employee whose specified period of employment expired and who is rehired by the House of Commons within a period of ninety (90) days or less is not indebted for the amount if the employee's new period of employment is sufficient to meet the obligations specified in paragraph (b).

- (B) For the purpose of sub-paragraphs 20.07 (A) (3) (b) and (c), periods of leave with pay will count as time worked. Periods of leave without pay during the employee's return to work will not be counted as time worked but will interrupt the period referred to in sub-paragraph 20.07 (A) (3) (b), without activating the recovery provisions described in sub-paragraph 20.07 (A) (3) (c).
- (C) Parental Allowance payments made in accordance with the SUB Plan will consist of the following:
  - (1) (a) where an employee is subject to a waiting period of two (2) weeks before receiving Employment Insurance parental benefits, ninety-three percent (93%) of his/her weekly rate of pay for each week of the waiting period, less any other monies earned during this period;

- (b) other than as provided in sub-paragraph 20.07 (c) (1) (c), for each week in respect of which the employee receives parental, paternity or adoption benefits under the Employment Insurance or the Quebec Parental Insurance Plan, the difference between the gross weekly amount of the parental, paternity or adoption benefits the employee is eligible to receive and ninety-three percent (93%) of the employee's weekly rate of pay less any other monies earned during this period which may result in a decrease in the parental, paternity or adoption benefits to which the employee would have been eligible if no extra monies had been earned during this period;
  - (c) where an employee has received the full eighteen (18) weeks of maternity benefits and the full thirty-two (32) weeks of parental benefits under the Quebec Parental Insurance Plan and thereafter remains on parental leave without pay, she is eligible to receive a further parental allowance for a period of two (2) weeks, at ninety-three per cent (93%) of her weekly rate of pay for each week, less any other monies earned during this period.
- (2) At the employee's request, the payment referred to in sub-paragraph 20.07 (C) (1) (a) will be estimated and advanced to the employee. Adjustments will be made once the employee provides proof of receipt of parental, paternity or adoption benefits under the Employment Insurance or the Quebec Parental Insurance Plan.

The conditions listed below are to be applied/followed to obtain or lose the status of Seasonal Certified Indeterminate Employee.

1. A person who works seven hundred (700) hours in one (1) calendar year will obtain the status of seasonal certified indeterminate employee effective January 1st of the year following the year in which the seven hundred (700) hour threshold was surpassed. The collective agreement and the terms and conditions of employment for SCI employees will begin on the first (1st) day that employment resumes in that year.
2. A SCI employee who works less than seven hundred (700) hours in two (2) consecutive years will no longer be recognized as a SCI employee effective December 31st of the second (2nd) year in which the SCI employee did not reach the threshold of seven hundred (700) hours for those two (2) consecutive years.

Due to the irregularity of work available during election and prorogation years, years with less than one hundred and fifteen (115) sitting days will be excluded for the purpose of losing status. Consequently, if a SCI employee works less than seven hundred (700) hours during a year with less than one hundred and fifteen (115) sitting days, this discrepancy will not be used to lose the status of a SCI employee.
4. A calendar year in which an SCI employee:
  - (a) is granted maternity leave without pay, parental leave without pay, leave without pay for the care and nurturing of pre-school age children, leave without pay for the long-term care of immediate family or leave without pay for other reasons, for more than twenty (20) sitting days;

  - or
  - (c) is certified sick for more than twenty (20) sitting days;shall be excluded for the purpose of losing status in accordance with paragraph 2 above.

5. The parties agreed that, consistent with current practice, paid leave granted to SCI employees shall be counted as hours worked for the purposes of paragraphs 1 and 2 above.
6. Hours of leave granted under Article 12 of this Agreement shall be considered hours worked for the purposes of determining if an employee has worked 700 hours in the calendar year in which the leave is granted.
7. The employer agrees not to artificially create a break in service or reduce a person's scheduled hours in order to prevent said person from attaining SCI status.
8. **Local Joint Consultation Committee**  
The Employer will provide twice a year, statistical information to the Local Union concerning the hours worked by uncertified and by seasonal certified indeterminate employees. The data will be provided in July and January of each year for the period covering the previous six (6) months. 9. Vacant SCI positions will be filled through the normal staffing process of the House of Commons. The successful candidate will be covered by the collective agreement and this MOU on the first day of work. The Employer may appoint persons with the status of SCI employee at any time.
